Report:

Women are the backbone of families and Societies. They provide care, support, and nurturing to their families and are essential to the development of children. Women also play a significant role in community building and often take on leadership roles in societies and community organizations.

Sexual harassment is a type of harassment involving the use of explicit or implicit sexual overtones, including the unwelcome and inappropriate promises of rewards in exchange for sexual favors. Sexual harassment can be physical and/or verbal. Sexual harassment includes a range of actions from verbal transgressions to sexual abuse or assault. Harassment can occur in many different social settings such as the workplace, the home, school, or religious institutions. Harassers or victims can be of any gender.

An awareness programme on violation of Sexual Harassment against Women was organized by Women Empowerment Cell (Shift 1) on 21st December 2023 at San Jose Seminar hall. In this awareness creation programme, we informed the students to prepare Posters on “Sexual Harassment against Women” in the San Jose Seminar Hall. Finally Students had shown their enthusiastic participation in preparing Posters and portrayed their opinions in posters about how women have been sexually harassed nowadays.

All good things come to an end. So the programme was ended with a great awareness to the students.
