Students face unique barriers to voting. One such barrier is the requirement to bring an accepted form of identification to cast a ballot.

Fatima College, Madurai arranged a unique platform for the students above eighteen to apply for Voter IDs. This special Voter ID creation forum was held on 13th December 2023 in the college premises. Student IDs were to be given to nearly every eligible student after providing proof of their identity upon enrolment. As they are convenient and secure options many students applied for it to create an acceptable voter ID.

Interested students were asked to bring the photocopy of their aadhaar card along with one passport size photograph and fill the form provided in the College.
