All the students and incharge staff gathered together and we left the college at 9.00am. We reached the village at 9.30am. The motive of this observation visit is to observe the infrastructure of the village and to understand the nature of people. After reaching the village, we interacted with the people about their job, needs and we collected the beneficiary list for distribution of saplings. We also got to know about the facilities available to them. People in that village are living in their compact home with minimalist living. Most of the people in that village are engaged in agricultural activities such as Transplanting, Banana plantation and commercial agriculture. Other source of livelihood for these people is Mahatma Gandhi National Rural Employment Guarantee scheme (MGNREGA). They are engaged for hundred days in employment scheme. Under this scheme, they are working for 12 days in a month. In Remaining days, they are being unemployed. And few other people are engaged in Building construction work activities and Driving. By observing, we got to know about the people's quality. The people in that village are highly Hospitable and maintaining a harmonious relationship with each other and they didn't have any distinction among them. They also maintain a friendly relationship with near by villages. The village has a panchayat union primary school upto 5th standard. There are five grocery shops and they don't have any primary health centre and hospital. They are facing difficulties in getting drinking water due to water scarcity. Every year, people there are celebrating a festival for goddess Kaali Amman, they have conveyed during this festival the village people feels much more united and they have more enjoyment. We observed the old age people's lifestyle in that village and also got know about their needs. They are expecting a medical shop or primary health centre nearby to their village. We also visited a factory named Jayalakshmi Piper in that village. We have interacted with the kids about their school life. Overall, we felt satisfied about the

REPORT:

Vadugapatti village which is located in Madurai North taluk of Madurai district in Tamil Nadu, India has roughly around 100 houses. Kulamangulam is the grampanchayat of Vadugapatti village. Vadugapatti, belonging to Kulamangalam township, is one of the adopted villages of Fatima College that come under "Unnat Bharat Abiyan" Scheme. A "Village Survey and Needs Analysis" was conducted at Kulamangalam on August 05, 2023. Dr. S. Aarthi & Ms. M. Esther, Assistant Professors of English and twenty five students of III UG of the Research Centre of English attended the meeting. They discussed Panchayat administration, expenditure of general funds and audit report of the village Panchayat and their needs and grievances were noted. The students were split into 3 groups for survey of husbandry and cattle count, survey of the grievances and survey of saplings count respectively. The survey is meant to be presented in the GRAM SABHAMEET which will be held on August 15, 2023.

A keen survey of the cattle owned by the inhabitants of the village was noted down by the first group of students. Number of cattle is listed below:

- Calf 1
- Goats 8

- Cows 2

Then the prime issues concerning Vadugapatti were taken down by these second group of students. Their grievances are

- Unavailability of Government buses
- Re-emphasis of good drinking water facility
- Drainage to be facilitated in many parts of the village
- Fodder for cattle
- Need for medical camp at regular intervals
- Lack of proper sanitation
- Lack of pharmacies

The need of saplings for each household were taken into account by the third group of students. The saplings would be planted on the forthcoming Independence Day. Number of saplings required as a whole is listed below:

Saplings	Count
Guava tree	2
Chikoo tree (Sapota)	1
Neem tree sapling	6
Custard apple tree sapling (Seetha)	1
Indian Beech tree sapling (Punnai)	2
Teak tree	1

REPORT

INTRODUCTION

Extension is an important activity which contributes to the enhancement of the status and public recognition of a profession and welfare of the society at large. Keeping this view in mind the students of 3rd year Mathematics of Fatima College carried out an activity on August 8th at Nedungulam Village, Madurai.

OBJECTIVE :

- The importance of Independence day and the struggles faced by our freedom fighters were highlighted during the event.
- To create an awareness about growing trees and saving the existing ones.

PROGRAMME HIGHLIGHTS :

We, a group of 23 students with the guidance of Dr. A. Jose Little Flower, Assistant Professor have gone to Nedungulam village as a part of the extension activity programme organized by our college on the 5th August 2023. We reached the village around 10 am. Our students interacted with the residents. The students made sure that the villagers were comfortable enough to share their problems and about their needs and necessities. After a few minutes of casual talks the program moved on with a speech delivered by Ms. K. HemaPriya of III UG Mathematics on the topic - The Importance of Independence day and the struggles faced by our freedom fighters during the riot. She highlighted the contribution of one of the female freedom

ers of India – Begum Hazrat Mahal. The speaker chose to talk about this particular warriorress in order to give an insight on the unsung praises of her bravery during the fight against the British. At the end of the speech, a quiz programme regarding the speech and the 77th Independence day was organized for the school children in which they actively participated. As per the direction of UGC, we have collected village sand. The details were collected in order to deliver them during the next visit. The program was wrapped up by around 12 Noon.

On August 5, 2023, a group of students from Fatima College's Computer Science Department went for an extension visit to T. Andipatti, Tamil Nadu to conduct Independence Day activity. When the students reached the village they were greeted by a group of adults. First the students gave a brief presentation about the history of Independence Day in India. Then they conduct quiz in tamil about the Indian independence movement. The students also performed a few patriotic songs and dances. They also gave speeches about the importance of Independence Day. The adults appreciated the efforts taken by the students and staff to conduct these events and enjoyed immensely.

The students were very happy to have the opportunity to conduct this Independence Day activity. They felt that it was important to teach others about the history of India's independence and the importance of celebrating this day. The students also enjoyed interacting with the adults and learning about their lives. The adults were very grateful for our visit. The villagers said that they learned a lot about India's independence movement and that they were inspired by our enthusiasm. They also said that they were amused by the entertainment provided by the students.

REPORT:

On 5th August 2023, the final year students of Department of Computer Applications(UG) has gone to visit Thiruvedagam village for an extension activity under the supervision of Ms.P.Renganayagi, Assistant Professor, Department of Computer Applications(UG), Fatima College, Madurai. The purpose of this activity is to make the students experience and express concern for the society, especially the poor and the needy. The interactions were focused on women, children and youth covering health, literacy, women empowerment and environmental awareness. A group of 20 students actively performed in this activity and interacted with the villagers to understand their way of living and needs. Students also performed activities on marking our 76th Independence Day. Students also discussed regarding the essence of basic hygiene and the way of dealing with the strangers. The interactions helped the students to understand the basic needs and grievances of the people in the village. They have listed some needs as follows:

- ✓ Need study materials for competitive exams
- ✓ Need saplings to cultivate.
- ✓ Need Coaching about agriculture.

students went around the village to each and every house and asked for their willingness to plant and grow a tree. The students collected the names of the volunteered villagers. The students also insisted and asked the villagers to gather at one place to conduct an awareness of women's education in collaboration with Independence Day. Two enthusiastic old women and ten children attended the program. Jehoshimah and Jeneefa delivered a short speech about Independence Day and Bharathiar. Followed by which, a dance marathon was held for the children and they were rewarded with chocolates. Shruthy anchored the entire program. The students, also enquired their grievances that are to be represented at Grama Sabha meeting. Finally, the students and staff boarded bus at 11.30 from C PUTHUR and reached Fatima college at 12.00.

DATE: 05.08.2023

REPORT :

The Department of Information Technology, extension activity took place on 05.08.2023 as part of our commitment to community engagement and practical learning experiences. A group of 21 students along with a faculty visited the village named THIRUVEDAGAM to interact with the local community and gain insights into rural life, culture, and challenges.

Activities and Observations:

During the visit, the students engaged in communicating and interacted with villagers to learn about their daily routines, occupations, and difficulties they face. The students also surveyed the village's infrastructure, including transport facilities, water supply, electricity, etc... The village children's showcased their talents in Lambaste. The students collected the names of the volunteers who are willing to plant the saplings which our students would provide them on the upcoming extension activities. And we are talking about the benefits of tree planting which will be very useful to them, many of the village peoples showed interest on it. Some people in the village told about the plants and trees in their house. That made so happy for us.

Fin

Findings:

The village faces challenges in terms of limited access to higher education and they also conveyed that there are not enough teachers to teach them. There are less healthcare facilities and they mentioned that medical shops are available to a smaller extent.

OUTCOMES :

The visit to Thiruvudagam was a valuable experience that allowed the students to connect with rural life and understand the people's challenges. The insights gained will guide future extension activities by the college.

Overall, the visit made our students able to maintain a good relationship between everyone. And they have completed their work as well as enjoyed the activity.
