DATE : 24.02.2024

A batch of 25 students from III B.A. English was taken to T. Vadugapatti on 24 February 2024 as a part of their extension activity. The activity that was planned for the day was to teach vocabulary and spoken English to the children of the village in order to make them imbibe basic communication. The students trained them to pronounce some useful vocabulary items and motivated them to get involved in conversational practice by asking simple questions.

There was a good response from the children and most of the children participated eagerly. The students encouraged them to indulge in the conversational practice among them enthusiastically. As a source of encouragement, the students distributed chocolates to the participants. Due to this conversational task, both the students as well as the children in the village have gained a new

Mathema

tics students of Fatima College carried out an activity on February 24th at Nedungulam Village, Madurai.

OBJECTIVE:

- To create awareness on Small business ideas.
- To make the people financially independent.

Business is the practice of making one's living or making money by producing or buying and selling products.

On this vision, Our students create awareness through teaching them the making formula of phenyl and

detergent powder. At last, as an initiative, our students provide the people with a phenyl bottle and a pack of detergent powder as a token of motivation.

DATE : 24-02-2024

REPORT:

On 24-02-2024 at 2.10 pm, students of department of chemistry along with the staff-member Dr.J.Jone Celestina headed towards village Achampatti. After general greeting to the village members they were asked to gather in the school ground for skill training program. Skill training on the preparation of household products like White phenyl, Black phenyl and soap oil were explained by the students of III UG chemistry. Hands on training were given to the women in the village. Basic skill training along with the ingredients needed were clearly explained and the students motivated the women villagers to be independent. After the training was completed we thanked the village members for their cooperation and left the village.

Report of the students:

ROSA ACTIVITY

DATE : 24/2/24

Today we went to Achampatty village at 2:45 pm with the guidance of our respective staff Dr. J. Jone Celestina H.Sc Ph.D. At first we invited the villagers to attend the entrepreneurship program conducted by our students. Many women actively participated. We demonstrated them the preparation of white phenyl, black phenyl and soap oil with the things we had such as pine oil, scent and creosol. We also distributed our preparation to them. Our staff explained the importance of women sanitation and the profit that they can make without investment by becoming as an entrepreneur. We are happy that many women got benefitted by this programme.

DATE : 23-02-2024

REPORT:

The students of III UG (19) of Department of Zoology carried out Extension program at Kondayampatti Village on 23-02-2024 along with the two staff members Dr. Antony Amala Jayaseeli & Dr. J. Asnet Mary, Assistant Professors of Department of Zoology. Students shared their skill and knowledge on the benefits of using herbal based products and also demonstrated the preparation of herbal products like herbal bath powder, triphalachuranam, thirukattuchuranam, and herbal tooth powder. All the ingredients were shown to villagers for observation and then prepared the powder. Students felt satisfied for sharing their knowledge with the rural women. Villagers expressed that this training was useful, and interesting and enthusiastically noted down the names of the ingredients.

DATE : 24.02.2024

REPORT:

Third year, Under Graduate students of Home Science with Food Biotechnology, Fatima College (Autonomous), Madurai, as an activity of ROSA Extension program went to Thandalai village of Alanganallur on 24.02.24. The students conducted a skill training programme for the students of in the Panchayat Union Middle School of the village. The program was started with a prayer by the school children. To cherish the children a small game for students called "lucky corner" was conducted. Next the students were separated into two groups. 1st group was 1st standard to 3rd standard. The second group was 4th and 5th standard. Finger print painting using acrylic paint was taught for the 1st group. The students were enthusiastic to paint. They did well, even though that was their first time to paint. The 2nd group was trained to make a paper bag and awareness was created harmful effects of plastic bags. The students were then trained on elocution skills. Finally all of them were given awareness on health and hygiene and prevention of diseases especially during summer. Prizes were given to the children who won in lucky corner. Thus the school children participated even though it was a holiday.

REPORT:

Fatima College, The Research Centre of Commerce, III U.G. (Group A- 30 students) went for Extension activity to Ambalathadi on 23.02.2024 along with one staff, Dr.S.Maria Nisha, Assistant Professors, The Research Centre of Commerce. Our students taught the villagers how to make liquid detergent and phenol, showing them step-by-step. They explained everything clearly and even shared ideas on how to sell these products and where to buy liquid detergent and phenol kits. After the demonstration, the students distributed samples to the villagers, enabling them to try the products themselves. Now, the villagers have new skills and opportunities to earn money, making their community stronger. We reached the college by 4:00 pm.

REPORT:

On 24TH FEBRUARY 2024, From the Department of Commerce -SF planned for an EXTENSION to Ayyankottai Village. We reached Ayyankottai village at 2.30 p.m. In that village we went house by house and taught the people in the village to do mango pickle and health mix. We explained the procedure to do these items and also learnt few things from those village elders. It was good experience for us to learn things from them and also gave few ideas to them to sell these products and gave some tips to do marketing activities. It was interesting and good to explain the procedures and process involved in making these products. Many children also came and learnt from us it was good skill training session. We both were benefitted (ie) Students and villagers.

REPORT

The students of III B.Sc. INFORMATION TECHNOLOGY of FATIMA COLLEGE visited the village Thirumalnattam on 24th February 2024. The students of IT were separated as 4 group of team members and they spread over different direction of the villages. These activities aimed to provide entrepreneur skill to the villagers like quilling jewelery, woolen baskets, pouches, glitter rose clips, etc. The students trained to different age group of people. The villagers are very much interested and involved in these activities.

OUTCOME

In this extension activity, it fostered a sense of community among students and contributed to the local economy by promoting entrepreneurship and training hand products made by them.

DATE: 24.02.2024

REPORT:

On 24th February the students of Mathematics (SF) and Statistics (SF) of Fatima College went to Thanichiyam as part of their Extension Service Activity. Students taught the villagers to make phenyl with low cost and to make olive oil, grape juice with using things at home. Students then gave a short speech focusing on the importance of Entrepreneurship and how women can earn income by doing things at home. Village people are very interested to listen and clarifying her doubts.

Students stressed on the importance of Entrepreneurship and some of the advantages are,

- It shows high self-confidence
- It increases productivity, creativity, and success.
- It can help women to earn income from home.
