Report:

“The Economy is the start and end of everything.” A strong Economy is the source of national strength. The basic fuel of life is money. So, we have to be very cautious in economic matters. A woman’s best protection is a little of her own money. After the mid- meal, we have the effective awareness programme on Economic offence. The students are eagerly waiting to see the police officers. They are new to hear the branch i.e Economic offence in police department. It is a essential awareness programme for the young generation, because they lose their bloodshed money on silly things like playing online games and investing on private bank sectors. Inspector madam Kamar Nisha tore out the real faces of private financial groups and reveals the truth of them. And she provided ideas for saving money in right place like government banks. After that Sub Inspector madam Anna Bala provide the knowledge of interest rates imposed in banks and to avoid greediness on money and know about the legal acts on economic offence.

The family economy and savings revolve around the women now-a-days. It is the best programme for everyone. It is a good interactive session with the police officers and the students cleared their doubts. Finally this programme ended with National Anthem.
