BRIDGECOURSE2023-2024 **20.06.2023-30.06.2023**

The Research Centre of English conducted a Bridge Course for all first-year undergraduate students from June 20, 2023, to June 30, 2023. The bridge course is organized by the department every year to enable the I UG students to transit smoothly from their school level to a new learning ambience at the college level. The learning module is specially designed to cater to the development of all the macro skills of the learners. The profuse use of pedagogical techniques and audio-visual materials facilitated effective teaching and learning.

An entry-level test was administered on July 19, 2023, to assess their competence in English. Based on the marks obtained in the entry-level Test, the students were divided into 3 streams namely Basic, Intermediate and Advanced and were into 11 sections. 33 students of II MA English acted as student facilitators and assisted the teachers in handling classes. A total number of 559 beneficiaries were benefitted by the course.

The course focused on the four language skills namely listening, speaking, reading and writing. The students were encouraged to interact and participate in various language tasks and games that included vocabulary, grammar, short conversations, debates and continuous writing. At the end of the Bridge Course classes, an Exit Test was conducted to assess the outcome of the course.

Progress of the students

DEPARTMENT OF ENGLISH (SF)

The newly joined UG aspirants for the academic year were provided a comprehensive language training programme by the Department of English, (SF) at Fatima College, Madurai from 19.06.2023 – 30.06.2023. On the commencement of the academic year, to minimize the gap between the school and college curriculum they take up the language sessions. The meticulously framed training programme exclusively for the freshers focused at enhancing their skills in English grammar, comprehension, vocabulary, listening and speaking skills.

The students wrote a preliminary test - the Entry Level Test before the onset of their classes. The test was organized to test the capability of the students of all the disciplines. The test was conducted on 19.06.2023 and 387 students wrote the test. The newly joined students of the UG programmes in the self-financing stream took the 45 minutes test for 50 marks. Before the test, instructions were given by the teachers about how to write the test to aid the newcomers.
