T3CC5	Samayallakkiam	Human Values	The students learn spiritual writings which help them to live a spiritual life.
T3CC6	Grammar III - Yappu, Ani	Professional Ethics	Strengthens listening ,speaking, reading and writing skills through grammar
T3AC3	History of Tamil Nadu and Culture – I	Environment And Sustainability and Human values	Introduces the students to history of Tamil Nadu and culture and enabling the learners to get through the competitive exams.
T3SB1	Epigraphy (2017 – 2020)	Professional Ethics	Helps the students to get more training in their profession.
T3SB1	Media Participation - I (2013 – 2017)	Professional Ethic	The students communicate with each other through this skill training program and train themselves as professionals.
TLC4	Language Tamil - IV	Human Values	Through Sangam and Ethical Literature the students learn more about human values and ethics.
T4CC7	Epic Literature	Human Values	Epic literature strengthens the students' ethical behavior.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

T4CC8	Grammar - IV - Agaporul, Puraporul / Grammar IV – Porul	Human Values	Strengthens listening, speaking, reading and writing skills through grammar teaching pedagogy.
T4AC4	History of Tamil Nadu and Culture – II	Environment And Sustainability	Introduces the students to history of Tamil Nadu and culture and enabling the learners to get through the competitive exams.
T4SB2	Manuscriptology (2017 – 2020)	Professional Ethics	Equips the students to train in their profession and widen the knowledge.
T4SB2	Media Participation – II (2013 – 2017)	Professional Ethics	The students communicate with each other through this skill training program and train themselves as professionals.
T5CC9	Ancient Literature	Environment And Sustainability	Through Ancient Literature the students learn about the art of living with the nature and environment.
T5CC10	Literary Criticism / Literary Theories & Criticism	Professional Ethics	The skill of criticism makes the students to learn the theories and view literature from different perspectives.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

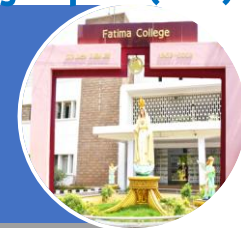

T5CC11 / T6ME4	Dramatics	Human Values	The paper enriches the skill training of the students to live an ethical valuable life by dramatizing real life situations.
T5CC11 / T6ME6	Folklore	Human Values	Folklore paper makes the students learn about the art of living with the nature and environment.
T5ME1	Kuraliyal	Human Values	Thirukkural helps the students to Live and Lead an ethical life through the values it imparts.
T5ME2	Purananuru	Human Values And Professional ethics	Imparts abroad range of knowledge pertaining to the history of Tamils and social history of Tamil Nadu enabling the learners to get through competitive exams.
T5SB3	Tamil & Medicine (Basic) (2018 – 2020)	Environment And Sustainability	Tamil & Medicine paper helps the students to prepare medicines through nature and its resources.
T5SB3	Media Participation – III (2013 - 2018)	Professional Ethics	Media Participation paper enriches the skill training of the students to enhance their Profession.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

T5SB4	Basic Computer – I (2018 – 2020)	Professional Ethics	Basic Computer paper enriches the skill training mind-set of the students and motivates them to come out with many professional ideas.
T5SB4	Media Participation – IV (2013 – 2018)	Professional Ethics	Media Participation paper enriches the skill training of the students and moulds them to shine in their Profession.
T6CC12	Christianity & Tamil Literature	Human Values	Christianity and Tamil Literature lead the student community towards holistic development
T6CC13	History of Tamil Literature	Professional Ethics	The History of the Tamil Language and Literature paper helps the students to face competitive exams easily.
T6ME3	History of Language	Professional Ethics	Knowing the History of their own language trains a lot in their subject knowledge and enriches them in their professional behavior.
T6ME3	Research Methodology & Approaches	Professional Ethics	By learning and mastering the mechanics of writing students can effectively engage in research

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

T6ME4 / T6ME6	Modern Literary Trends	Professional Ethics	Modern Literary Trends enlighten the students in their research ideas and approaches with ethics.
T6ME5	Bharathiyam / Bharathilyam	Gender	The Writings of Bharathi guide the students to become aware of gender issues.
T6ME6 / T5CC11	Folklore	Environment And Sustainability	Folklore paper helps the students to know about the culture and life of people.
T6SB5	Tamil & Medicine (Advance) (2018 – 2020)	Environment And Sustainability	Tamil & Medicine paper helps the students to make medicine through nature and its resources.
T6SB5	Media Participation – V (2013 – 2018)	Professional Ethics	Media Participation paper enriches the skill training of the students helping them in their Profession.
T6SB6	Basic Computer –II (2018 – 2020)	Professional Ethics	Basic Computer skills help in profession and research
T6SB6	Media Participation – VI (2013 – 2018)	Professional Ethics	Media Participation paper enriches the analytical skill of the students to practice ethical journalism

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE COURSE: PART I LANGUAGE - HINDI

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
19DLC1	Part I Language Hindi EARLY HINDI LITERATURE	Human Values	Speaks about the importance of human values in the ancient society.
19DLC2	Part I Language Hindi	Human Values	The story of 'bholaramkajeev' speaks about the evils of corruption. Story of 'kafan' speaks about the evils of caste discrimination in Indian society.
19DLC3	Part I Language Hindi - Devotional Hindi Literature	Human Values	Deals with human values in the form of bakthi.
19DLC4	Part I Language Hindi - Modern Hindi Literature	Human Values, Gender	speaks about the importance of human values in the present day scenario., ESSAY- 'WOMENS EDUCATION' deals with women empowerment
19DSLC2	Part I Language Hindi	Human Values, Gender	ONE ACT PLAY – 'BHAHU KI VIDHA' deals with the evils of dowry system and the role of women to overcome it.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE COURSE: PART I LANGUAGE - FRENCH

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
RLC1	Part 1 Language French	Gender	Le Lecon "Jeanne D'arc" speaks about self respect of Women, the power of women.
RLC4	Part 1 Language French	Human Values	Poem "Dejeuner Du Matin" speaks of human values and love
RLC3	Part 1 Language French	Gender	Poem "A Une Femme" speaks about self respect of women, the power of women's.
RLC4	Part 1 Language French	Environment	Poem "Sensation" speaks about the beauty of Nature and its preservation.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: PART I LANGUAGE - B.Sc MATHEMATICS

PROGRAMME CODE: UAMA

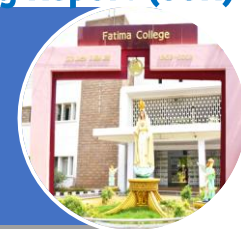

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
M2AC2 / G2AC2/ 19M2AC2 / 19G2AC2	Statistics-II / Advanced Statistics	Professional Ethics	Students learn to have professional responsibility to act fairly in drawing of conclusion from quantitative data so that they will not mislead clients. They need to take ethical decisions and professional judgement.
M5SB4 / G5SB4	Advanced Linear Programming	Professional Ethics	Ethical obligations on practitioners to consider the rights and wrongs of their advice and decisions.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: B.Sc PHYSICS

PROGRAMME CODE: UAPH

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
19P6ME4/P6 ME3	Energy Physics	Environment and sustainability	This course intends to give a comprehensive description of existing types of conventional energy sources and aims to give a potential notion to resolve the challenges with regard to future supply and demand with the usage of various types of renewable energy sources like solar energy, geothermal energy, wind, biomass, tidal energy.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: B.Sc CHEMISTRY

PROGRAMME CODE: UACH

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
19C1NME1/ C1NME1	Profitable Home Industries	Professional Ethics	The students are aware of food flavours, additives, food adulterants and its detection in various food items
19C2NME2/ C2NME2	Profitable Home Industries	Professional Ethics	The students are aware of food flavours, additives, food adulterants and its detection in various food items
19Z1ACC1/ 19N1ACC1 Z1ACC1/ N1ACC1	Allied Chemistry	Environment and Sustainability	The students are educated to do various titrations using double burette method
19Z2ACC3/ 19N2ACC3 Z2ACC3/	Allied Chemistry Practical – I	Environment and Sustainability	The students are trained to do organic qualitative analysis by simple chemical reactions using double burette method.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

N2ACC3			
C3CC10	Inorganic Qualitative Analysis	Environment and Sustainability	The students are skilled to analyze both acid and basic radicals by greener methods
C3SB1	Agricultural Chemistry	Environment and Sustainability	The students are educated to identify various toxic metal ions in water and soil
C4CC10	Organic Qualitative Analysis	Environment and Sustainability	The students are skilled to analyze the functional groups present in the organic compounds
C4SB2	Natural And Synthetic Dyes	Environment and Sustainability	The students analyze various natural dyes used in food and cosmetic industries
C5SB3	Medicinal Chemistry	Environment and Sustainability	The students are educated about the biological properties of Indian medical plants and herbs
C5SB4	Nano Chemistry	Environment and Sustainability	The students practise synthesis of nano particles by greener methods
C5CC16	Organic Chemistry Practicals -II	Environment and Sustainability	The students are skilled to analyze the functional groups present in the organic compounds
C6CC15	Inorganic Chemistry Practicals	Environment and Sustainability	The students are trained to analyze the metal ions by gravimetric method

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

C6SB6	Green Chemistry	Environment and Sustainability	The students are educated on various green methods for organic compound synthesis
C6CC18	Green Chemistry Practicals	Environment and Sustainability	The students are to skilled to synthesise nanoparticles by greener methods
P4ACC3	Allied Chemistry Practical	Environment and Sustainability	The students are trained to do organic qualitative analysis by simple chemical reactions using double burette method.
C4SB2 (2016-17)	Organic Farming	Environment and Sustainability	The students learn about the production of organic manure and Vermicompost
C2CC5	Volumetric Analysis	Environment and Sustainability	The students are skilled to estimate the metal ions by qualitative analysis
C2NME2	Profitable Home Industries	Professional Ethics	The students are aware of food flavours, additives, food adulterants and its detection in various food items
C3SB1	Pollution And Its Control Measure	Environment and Sustainability	The students learn to analyse the hazardous effects of various pollutants in contaminated water and soil
C4CC10	Inorganic Qualitative Analysis	Environment and Sustainability	The students are skilled to analyze both acid and basic radicals by greener methods
C4SB2	Forensic Science	Environment and	The students are educated to analyse the various biological

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

		Sustainability	samples
C5SB3	Medicinal Chemistry	Environment and Sustainability	The students are educated the biological properties of Indian medical plants and herbs
C5SB4	Natural And Synthetic Dyes	Environment and Sustainability	The students analyse various natural dyes used in food and cosmetic industries
C6CC15	Inorganic Chemistry Practical	Environment and Sustainability	The students are trained to analyze the metal ions by gravimetric method
C6CC16	Organic Chemistry Practicals	Environment and Sustainability	The students are skilled to analyze the functional groups present in the organic compounds
C6CC17	Physical Chemistry Practicals	Environment and Sustainability	The students are skilled on various experiments like titration methods, ester hydrolysis, inversion of sucrose etc.
C6SB6	Green Chemistry	Environment and Sustainability	The students are educated on various green methods for organic compound synthesis
P4ACC3	Allied Chemistry Practical	Environment and Sustainability	The students are trained to do organic qualitative analysis by simple chemical reactions using double burette method.
Z1ACC1/N1AC C1	Allied Chemistry- Syllabus For 'A' Stream	Environment and Sustainability	The students are educated to do various titrations using double burette method

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

Z1ACC1/N1AC C1	Allied Chemistry- Syllabus For 'B' Stream	Environment and Sustainability	The students are educated to do various titrations using double burette method
Z2ACC3/ N2ACC3	Allied Chemistry Practical – II	Environment and Sustainability	The students are trained to do organic qualitative analysis by simple chemical reactions using double burette method.

NAME OF THE PROGRAMME: B.Sc ZOOLOGY

PROGRAMME CODE: UAZO

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
19Z1NME/ 19Z2NME/ Z1NME/ Z2NME	Maternity and Child Health	Gender	This course intends to create awareness on women health problems and solutions and common problems that occur during pregnancy and antenatal care. It aims to educate students on public health, personal hygiene, and nutrition for children and pregnant women.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

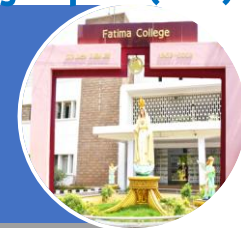

19Z1CC3/ Z2CC5	Lab in Invertebrata & Cell Biology/Major Practical I	Professional ethics	Laboratory Bio safety guidelines and Regulations of Animal Ethics.
Z4CC8	Environmental Biology	Environment and sustainability	Environment, Energy resources and Biodiversity conservation
Z4CC9/ Z5CC12	Molecular biology& Bio technology	Professional ethics &Environmental sustainability	<ul style="list-style-type: none"> • Biosafety and Ethics& Intellectual Property Rights • To find solution for problems concerning human activities including agriculture, medical treatment, industry and environment
Z4CC10	Major Practical II	Professional ethics	Laboratory Biosafety guidelines
Z4SB2	Herbal Technology	Environment and sustainability	To understand the importance of the Medicinal plant wealth in India and the role of Medicinal plants in human health care
Z6CC15	Biotechnology	Professional ethics &Environmental	<ul style="list-style-type: none"> • Biosafety guidelines and Containments • Intellectual Property Rights. • To find solution for problems concerning human

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

		sustainability	activities including agriculture, medical treatment, industry and environment
Z6CC16	Major practical III	Professional ethics	Guidelines of handling radioactive isotopes

NAME OF THE PROGRAMME: B. Sc HOME SCIENCE WITH FOOD BIOTECHNOLOGY

PROGRAMME CODE: UAHS

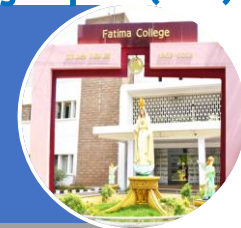

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
19N6ME5	Women and Entrepreneurship Development	Gender	Motivating women to become entrepreneurs
N2CC3	Food Science	Environment and Sustainability	Conversion of kitchen waste into manure – enriching soil.
N3CC6	Fibre to Fabric	Environment and Sustainability	Eco friendly methods in the manufacture and processing of fibres.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

N3CC7	Microbiology	Environment and Sustainability	Role of beneficial microorganisms in environmental sustainability.
N4CC8	Clothing and Fashion	Professional Ethics	Ethics in fashion field.
N4CC10	Food Biotechnology	Environment and Sustainability	Role of beneficial microorganisms in environmental sustainability.
N5CC11	Crèche and Preschool management	Professional Ethics	Ethics in the administration of crèche and preschool.
N5CC12	Family Resource Management	Environment and Sustainability	Eco friendly methods in enhancing the interior and exterior of home.
N5CC13	Extension Education	Gender	Women welfare programmes

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: B. SC COMPUTER SCIENCE

PROGRAMME CODE: UACS

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
19B1CC1/ B1CC1	Programming In C	Professional ethics	To read, understand and trace the execution of programs written in C language
19B1CC2/ B1CC2	Lab – I (Programming In C)	Professional ethics	To understand the basic Structure of the C-PROGRAMMING declaration and usage of variables
19B1NME1/ B1NME1	Animation Techniques	Professional ethics	To define the fundamentals of animation, virtual reality and its related technologies.
19B2CC3/ B2CC3	Programming In C++	Professional ethics	To provide the fundamental knowledge of a programming language and its features which enables the user to write general purpose application programs.
19B2CC4/	Lab – Ii	Professional ethics	To develop efficient, generalized programs, Debug

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

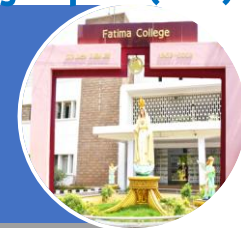

B2CC4	(Programming In C++)		them, test the program with robust values to increase the scalability
19B2AC2/ B2AC2	Computer System Architecture (Allied Ii)	Professional ethics	To analyze and design combinational circuit
19B2NME2/ B2NME2	Animation Techniques	Professional ethics	To demonstrate the fundamentals of animation, virtual reality and its related technologies
19B3CC5/ B3CC5	Data Structures And Algorithms	Professional ethics	To impart fundamental knowledge on application of data structures in problem solving and about predefined algorithms
19B3CC6/ B3CC6	Lab –Iii (Data Structures In C++)	Professional ethics	To effectively utilize the apt data structures to solve problems and to write efficient algorithms for solving problems
19B3SB1/ B3SB1	Skill Based Elective- Internet Programming Paper: I Introduction To Internet	Gender, Human values, Professional ethics	To understand the basics of Internet, its architecture, use, technology and the potential threats in the introductory level.
19B4CC7	Relational Database System Concepts	Professional ethics	To impart complete understanding of Relational database concepts and its usage in the real world

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

			applications
19B4CC8/ B4CC8	Lab - Iv (Visual Programming)	Professional ethics	To develop skill to work in IDE environment, To design user friendly interface to solve problems, To learn to handle front end tools and data bases , To write efficient GUI based programs
19B4SB2/ B4SB2	Skill Based Elective- Internet Programming Paper: I Web Designing Using Html And Word press	Professional ethics	Use critical thinking skills to design and create websites
19B5CC9/ B5CC9	Programming In Java	Professional ethics	To implement Object Oriented programming concept using basic syntaxes of control Structures, strings and function for developing skills of logic building activity
19B5CC10/ B5CC10	Operating System Concepts	Professional ethics	To impart the knowledge of various System software and understand the working of Operating systems
19B5CC11/ B5CC11	Lab-V (Programming In Java)	Professional ethics	To identify classes, objects, members of a class and the relationships among them needed for a finding the solution to specific problem

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

19B5CC12/ B5CC12	Project - I	Professional ethics	To report and present the findings of the study conducted in the preferred domain
19B5ME1/ B5ME1	Software Engineering	Professional ethics	To demonstrate the use of software and user interface design principles
19B5ME2/ B5ME2	Latest Computing Technologies	Professional ethics	To introduce the basics of various computing technologies like Mobile Computing, Soft Computing, Grid computing, Cloud Computing and Green Computing
19B5ME3	Data Mining And Data Warehousing	Professional ethics	To provide the fundamental knowledge of a programming language and its features which enables the user to write general purpose application programs.
19P5MEB1/ P5MEB1	Programming With C (Offered To Physics)	Professional ethics	To enable students to effectively identify sources of data and process it for data mining
19B5SB3/ B5SB3	Skill Based Elective- Internet Programming Paper: III - Client Side Programming Using Java Script & CSS	Professional ethics	To develop Server Side Programs using ASP.NET which contains the specific features for interactive web applications

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

19B5SB4/ B5SB4	Skill Based Elective- Internet Programming Paper: IV – Server Side Programming Using Asp.Net	Professional ethics	To display dynamic data from a data source by using Microsoft ADO.NET and data binding
19B6CC13/ B6CC13	J2EE Programming	Professional ethics	To understand Java Swings for designing GUI applications
19B6CC14/ B6CC14	Data Communications And Networking	Professional ethics	To classify the routing protocols and analyze how to assign the IP addresses for the given network
19B6CC15/ B6CC15	Lab-VI (J2ee Programming)	Professional ethics	To identify, design & develop complex Graphical user interfaces using principal Java Swing classes
19B6CC16/ B6CC16	Project - II	Professional ethics	To report and present the findings of the study conducted in the preferred domain
19B6ME4/ B6ME4	Computer Graphics	Professional ethics	To demonstrate the fundamentals of animation, virtual reality and its related technologies
19B6ME5/ B6ME5	Software Testing	Professional ethics	To sharpen research acumen by providing the fundamentals of AI

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

19B6ME6/ B6ME6	Cloud Computing	Professional ethics	To Assess the comparative advantages and disadvantages of Virtualization technology
19B6ME7/ B6ME7	Introduction To Artificial Intelligence	Professional ethics	To introduce the concepts of a Rational Intelligent Agent and the different types of Agents that can be designed to solve problems
19B6ME8	Principles Of Mobile Computing	Professional ethics	To facilitate Server Side Programming using PHP using the features of PHP, To develop interactive web applications using MYSQL
19B6ME9/ B6ME8	Big Data Fundamentals	Professional ethics	To demonstrate various challenges in processing Big Data
19B6SB5/ B6SB5	Skill Based Elective- Internet Programming Paper: V - Server Side Programming Using PhP	Professional ethics	To develop user-friendly web applications
19B6SB6/ B6SB6	Skill Based Elective- Internet Programming Paper: Vi - Web Services	Professional ethics	To be well versed with XML and web services Technologies

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

	Development Using Xml		
B4CC7	RDBMS With Oracle	Professional ethics	To impart complete understanding of Relational database concepts and its usage in the real world applications

NAME OF THE PROGRAMME: B.Com

Year : 2015 - 2020

	management	Sustainability	
19A3CC7	Practical Banking	Professional ethics	Throws light on banking law, the practice of banking law in transactions engaged with the banker, and the latest trends in banking
19A5CC11	Corporate accounting	Professional ethics	Acquaints students with Joint Stock Company accounts and evaluates the value of goodwill and shares
19A3CC6	Cost accounting concepts	Professional ethics	Gives a broader framework, for cost accounting concepts and techniques, preparation of cost sheet, material costs, labour cost and overhead expenses.
19A3CC7	Banking law and practice	Professional ethics	Focuses on banking law and the latest trends in banking
19A4CC8	Partnership accounting	Professional ethics	Triggers knowledge and skills in the procedure relating to all types of transactions that are unique to a partnership
A5CC12	Company Law	Professional ethics	Describes the principles involved in company law provisions and provides knowledge of recent developments in company law
A5CC13	Income tax law and practice	Professional ethics	helps to gain in-depth knowledge about provisions

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

			of income tax law and their applications in the assessment of individuals, firms and companies
A5ME2	Research methodology	Professional ethics	creates awareness about the nature and the design of research and gives an understanding about collection of data, formulation of hypothesis and preparation of research report
A6CC14	Advanced Corporate Accounting	Professional ethics	Acquaints students with Joint Stock Company accounts and evaluate the value of goodwill and shares
A6CC15	Goods and Service Tax and Customs Act	Professional ethics	Imparts knowledge on the law and the application of business taxes including the Goods and services tax
A6ME3	Management Accounting	Professional ethics	Familiarises students with the various tools and techniques used in financial planning, analysis, control and decision making and applying them in solving financial problems of business units , control and decision making
A6ME4	Human Resource Management	Professional ethics	Discusses the functions of management and imparting knowledge to procure, develop and maintain the human resource
A6ME5	Auditing	Professional ethics	Gives insight into the principles, methods and techniques of auditing of different types of

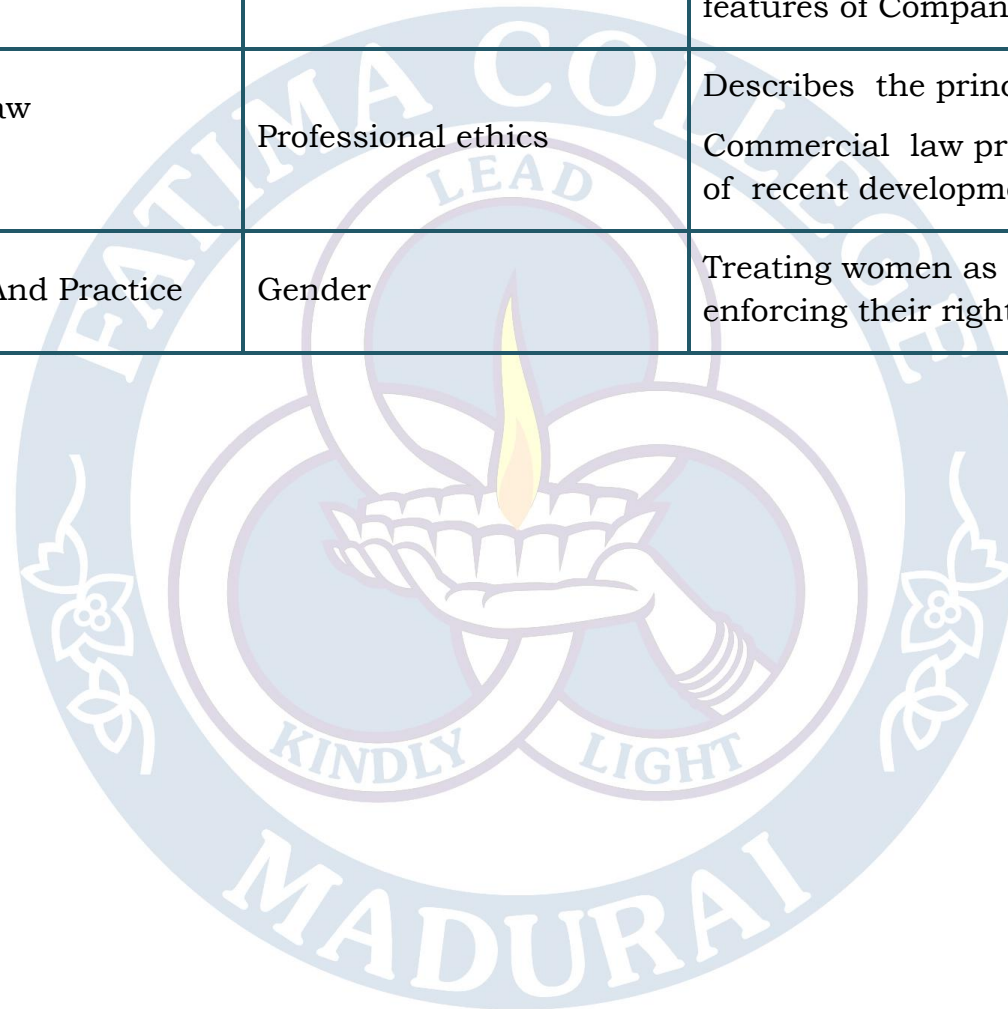

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

			organizations. Provides knowledge on salient features of Company audit and E-auditing
A6ME6	Commercial Law	Professional ethics	Describes the principles involved in Commercial law provisions and provide knowledge of recent developments in commercial law
A3CC7	Banking Law And Practice	Gender	Treating women as special type of customer and enforcing their rights through law

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: M.A ECONOMICS

PROGRAMME CODE: PAEC

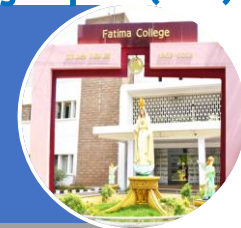

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
PG3E9	Development Economics	Gender And Human Values	The role of technological transfers and Brain drain are investigated and analyses the cultural/social institutions, social-overhead capital, and poverty and income distribution
PG4E15	Environmental Economics	Environment And Sustainability	Environmental Economics focuses on economic causes of environmental problems, environmental policy, valuation of environmental quality, quantification of environmental damages, tools for evaluation of environmental projects such as cost-benefit analysis and environmental impact assessments.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: M.A TAMIL

PROGRAMME CODE: PATA

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
19PG1T1 / PG1T2	Grammar – I – Tholkappiyam–Eluthu	Professional Ethics	Grammatical paper trains the students to develop the writing skills of their profession.
19PG1T2	Poetic Literature	Environment And Sustainability	Literature teaches the students to examine the various environmental issues.
PG1T1	Modern Literature (2013 – 2019)	Environment And Sustainability	Modern Literature teaches the Moral Human Values related to human & nature.
19PG1T3 / PG1T3	Personality And Literature	Human Values	Personality & development changes the personal behavior and attitude of the students and motivates them to reach greater heights with confidence through human values.
19PG1T4 /	Tamil & Christianity	Human Values	Christianity and Tamil Literature lead the students

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

PG2T8			to live an ethical life.
PG1T4	Advertisement (2013 -2019)	Professional Ethics	The Students gets motivation through this Advertisement paper & they enrich their skill training, come out with great ideas and enrich themselves in their Profession.
19PG1EDC / PG1EDC	Public Speaking & Media Participation - I	Professional Ethics	Through public Speaking & Media Participation the students get trained in their profession and develop skills as motivational speakers.
19PG2T5 / PG2T6	Grammar - II – Tholkappiyam – Sol	Professional Ethics	Grammar helps develop professional skills
19PG2T6 / PG2T5	Bakthi Literature	Human Values	The students learn about spiritual writings which help them to live a spiritual life.
19PG2T7 / PG2T7	Literary Criticism Theories & Approaches / Literary Theories & Approaches	Professional Ethics	The students develop analytical skills and use theoretical frameworks to appreciate literature.
19PG2T8	Mass Communication	Professional Ethics	Mass Communication paper enriches the skill training of the students to enrich themselves in their Profession.
19PG2EDC /	Public Speaking & Media	Professional Ethics	Through public Speaking & Media Participation the students gets trained in their professional behavior

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

PG2EDC	Participation - II		& train themselves as a motivational speaker.
PG3T9	Epics	Professional Ethics	Epic literature strengthens the students' ethical behaviour.
PG3T10	Grammar - III - Tholkappiyam - Porul - Part -I	Professional Ethics	Grammar helps students to develop their Profession.
PG3T11	Principles Of Translation	Professional Ethics	Translation Skills make the students to think and explore the usage other languages.
PG3TE1	Drama Literature & Acting Skills	Human Values	The dramatics paper enriches the skill training of the students to come out with great ideas and to live a valuable life.
PG3TE2	Novel Literature	Human Values	The Students enlighten themselves of human values found in Literature.
PG4T12	Sangam Literature	Environment And Sustainability	Through Ancient Literature the students learn about the art of living with nature and environment.
PG4T13	Grammar - IV - Tholkappiyam - Porul - Part -II	Professional Ethics	Grammar helps in the correct usage of language
PG4T14	Tamil For Competitive Exam	Professional Ethics	Knowing the History of the Tamil Language and

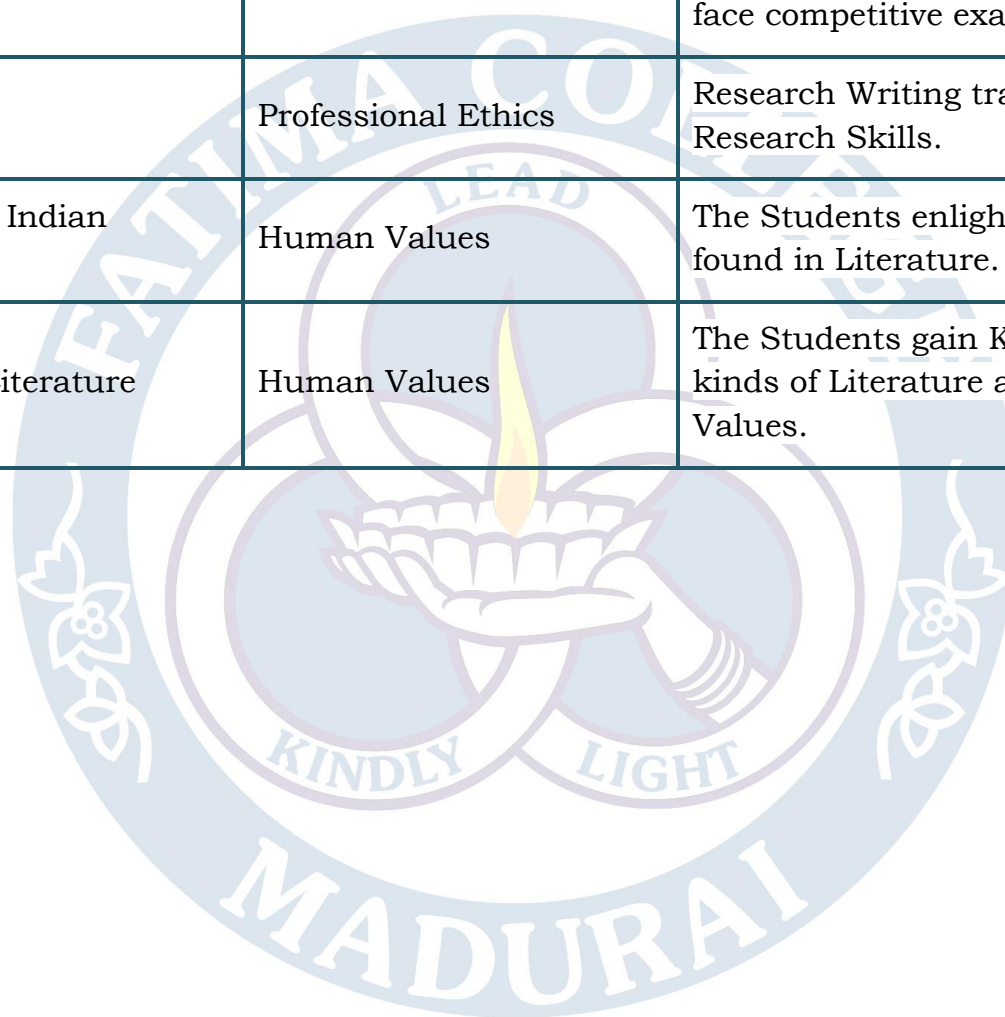

Criterion : I – Curricular Aspects

Year : 2015 - 2020

			gender related issues
PG1L2	British Poetry I (Chaucer To Romantic Age)	Human Values, Gender, Environment	Connects the learners with humanity and in stills humanitarian values in them and also sensitizes them towards environmental and gender related issues
PG1L4	British Drama (Elizabethan To Modern)	Human Values, Gender, Environment	Connects the learners with humanity and in stills humanitarian values in them and also sensitizes them towards environmental and gender related issues
PG2L5	British Poetry II – (Pre-Raphaelite To Modern)	Human Values, Gender, Environment	Fortifies the knowledge and critical perspectives of the learners in a specific genre enabling them to get through competitive exams.
PG2L6	British Novel	Human Values, Gender, Environment	Connects the learners with humanity and in stills humanitarian values in them and also sensitizes them towards environmental and gender related issues

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: M.Sc. MATHEMATICS

PROGRAMME CODE: PSMA

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
PG3ME1	Research Methodology	Professional Ethics	Students learn the responsibility of avoiding plagiarism and giving credit to publish without unreasonable delay and to correct error.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: M.Sc. CHEMISTRY

PROGRAMME CODE: PSCH

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
19PG1C2/ PG1C2	Organic Chemistry – I	Environmental and Sustainability	The students are educated about the preparation and reaction of the natural products
19PG1C4/ PG1C4	Inorganic Practical-I	Professional Ethics	The students are skilled to analyze mixture of two common and two rare cations which is useful in the detection of metal ions in water and soft drinks
19PG1C5/ PG1C5	Organic Chemistry Practical – I	Environmental and Sustainability	The students are trained to do single step preparation method for the organic compounds
19PG2C9/ PG2C9	Inorganic Practical-II	Professional Ethics	The students are qualified to estimate the given metal volumetrically and gravimetrically to determine the strength of the given solution.
19PG2C10/ PG2C10	Organic Chemistry Practical – II	Environmental and Sustainability	The students experience hands on training in analyzing the organic compounds quantitatively and synthesis of

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

			these compounds under two stage process
PG3CE1	Material Chemistry	Environmental and Sustainability	The students gain knowledge about the nano materials and its synthesis under various methods
PG3CE2	Bio-Organic Chemistry	Professional Ethics	The students learn to use various methods like molecular modelling, molecular docking to design drugs
PG4CE3	Analytical Chemistry	Professional Ethics	The students learn to calculate error analysis for various tests
PG4CE4	Chemical Engineering	Environmental and Sustainability	The students are educated about the hardness and softness of water and its estimation methods

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: M.Sc. ZOOLOGY

PROGRAMME CODE: PSZO

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
19PG1Z4	Lab in Animal Diversity & Microbiology	Professional ethics	Laboratory Biosafety guidelines
PG1Z5	Lab in Microbiology	Professional ethics	Laboratory Biosafety guidelines
19PG1EDC/ 19PG2EDC/ PGEDC	Herbal Medicine	Environment and sustainability	Significance of Indigenous medicinal plants in human health care
PG2Z8	Ecology & Evolution	Environment and sustainability	Concept and components of Ecosystem
19PG2Z10	Lab in Biochemistry	Professional ethics	Laboratory Biosafety guidelines

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

19PG2Z15	Lab in Cell & Molecular Biology	Professional ethics	Laboratory Biosafety guidelines
PG3Z13	Biotechnology	Professional ethics	Bioethics of Stem Cell Research
PG3Z14	Lab in Biotechnology	Professional ethics	Laboratory Biosafety guidelines
PG3Z15	Lab in Immunology	Professional ethics	Laboratory safety precautions and good laboratory practices
PG4Z17	Environmental Management	Environment and sustainability	To understand the key aspects of environmental conservation and its applications in environmental issues for sustainable development

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: M.Sc. HUMAN NUTRITION AND NUTRACEUTICALS

PROGRAMME CODE: PSNN

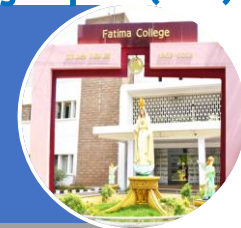

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
PG1N4	Community Nutrition	Gender	Nutrition education imparted to all sections of community.
PG3N16	Food Microbiology	Environment and Sustainability	Role of beneficial microorganisms in environmental sustainability.
PG3NE1	Food Safety and Quality Control	Professional Ethics	Ethics in Food industry.
19PG3NE1	Food Product Development and Evaluation	Professional Ethics	Ethics while formulating a new food product
19PG3NE2	Nutrition in Critical Care and Disasters	Professional Ethics	Ethics for critical care and disaster management

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: M.Sc. COMPUTER SCIENCE

PROGRAMME CODE: PSCS

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
19PG1B1/ PG1B1	Advanced Programming In Java	Professional ethics	To impart knowledge on various concepts like networking, database connectivity, web technology implement in java
19PG1B2/ PG1B2	Distributed Operating Systems	Professional ethics	To apply the concepts of distributed systems in designing large systems, and recognize the inherent difficulties that arises due to distribution of computing resources.
19PG1B3/ PG1B3	Object Oriented Software Engineering	Professional ethics	To impart the knowledge on systematic discipline, quantifiable approach to the design development operation and maintenance of software using object oriented concept
19PG1B4/ PG1B4	Theory Of Computation	Professional ethics	To provide the concept of automata theory, the theory of formal languages and grammars to understand the properties of physical machines

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

19PG1B5/ PG1B5	Lab-I- Advanced Programming In Java	Professional ethics	To impart knowledge on various concepts like networking, database connectivity, web technology implement in java
19PG1B6/ PG1B6	Lab-Ii-Operating System	Professional ethics	To provide the awareness for the features and capabilities of Linux and develop new Linux based software
19PGBEDC1/ PGBEDC1	Web Development	Professional ethics	To provides knowledge to plan and design effective web pages with different text formatting and images to create website
19PG2B7/ PG2B7	Extreme Programming – Asp.Net	Professional ethics	To impart the knowledge of implementing database applications using SQL Data Source and Object Data Source and develop Master pages and navigation of web pages in Asp.Net
19PG2B8/ PG2B8	Mobile Application Development using Android Studio	Professional ethics	To explore both theoretical and practical issues of mobile computing
19PG2B9/ PG2B9	Design And Analysis Of Algorithms	Professional ethics	To impart fundamental knowledge on application of data structures in problem solving and about predefined algorithms
19PG2B10/ PG2B10	Lab-Iii- Extreme Programming – Asp.Net	Professional ethics	To impart the knowledge of implementing database applications using SQL Data Source and Object Data Source and develop Master pages and navigation of web

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

			pages in Asp.Net
19PG2B11/ PG2B11	Lab-Iv- Mobile Application Development using Android Studio	Professional ethics	To design and implement Database Application and Content providers
19PG2BE1/ PG2BE1	Computational Intelligence	Professional ethics	To impart the knowledge about the ability of a computer for learning the task from data or experimental observation.
19PG2BE2/ PG2BE2	Neural Networks	Professional ethics	To understand the fundamental theory and concepts of neural networks, neuro-modeling, several neural network paradigms and its applications
19PG2BE3/ PG2BE3	Software Testing	Professional ethics	To demonstrate various software application domains and remember different process model used in software development
19PG2BE4/ PG2BE4	Embedded Systems	Professional ethics	To demonstrate the embedded system concepts and architecture of embedded systems
19PGBEDC2/ PGBEDC2	Web Development	Professional ethics	To provides knowledge to plan and design effective web pages with different text formatting and images to create website
19PG3B12/ PG3B12	Digital Image Processing	Professional ethics	To review image processing techniques for computer vision
19PG3B13/ PG3B13	Data Mining And Data	Professional ethics	To identify sources of Data for mining and perform data

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

PG3B13	Warehousing		exploration
19PG3B14/ PG3B14	Lab-V- Digital Image Processing	Professional ethics	To explore some applications of computer vision algorithms
19PG3B15/ PG3B15	Lab-Vi- Data Mining And Data Warehousing	Professional ethics	To organize and prepare the data needed for data mining algorithms in terms of attributes and class inputs, training, validating, and testing files
19PG3B16/ PG3B16	Summer Internship/ Training/ Online Certification	Professional ethics	To practice ethical standards appropriate to the internship site
19PG3BE5/ PG3BE5	Python Programming	Professional ethics	To demonstrate the Numbers, Math functions, Strings, List, Tuples and Dictionaries in Python
19PG3BE6/ PG3BE6	Cryptography And Network Security	Professional ethics	To apply different digital signature algorithms to achieve authentication
19PG3BE7/ PG3BE7	Distributed Database Management System	Professional ethics	To demonstrate concepts of advanced access control techniques like role based and discretionary methods
19PG3BE8/ PG3BE8	Compiler Design	Professional ethics	To expose students to the critical issues in modern compilers & provide them with the background to tackle those problems
19PG3BE9/ PG3BE9	Cloud Computing	Professional ethics	To analyze authentication, confidentiality and privacy issues in cloud computing
19PG3BE10/	Advanced Computer	Professional ethics	To confidently participate in professional design practice

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

PG3BE10	Graphics & Animation		and management within a collaborative work environment
19PG3BE11/ PG3BE11	Big Data Analytics	Professional ethics	Understand the concepts of Big data and challenges in processing Big Data
19PG3BE12/ PG3BE12	Deep Learning	Professional ethics	To identify the deep learning algorithms which are more appropriate for various types of learning tasks in various domains
19PG4B17/ PG4B17	Principles Of Internet Of Things (Self Study)	Professional ethics	To apply IOT to different applications
19PG4B18/ PG4B18	Project	Professional ethics	To report and present the findings of the study conducted in the preferred domain
PG3B10	Computer Graphics And Image Processing	Professional ethics	The goal of the course is to provide a strong foundation for computer graphics principles, and provide a hands-on introduction to recent advanced topics.
PG3B11	Mobile Computing	Professional ethics	To introduce the concept of mobile computing and provide a foundation for research.
PG3B12	Distributed Database	Professional ethics	To make students aware of the main techniques for managing a distributed database management system and be able to design a simple distributed database system
PG3B13	Lab-III-Computer	Professional ethics	Understand the need of developing graphics application

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

	Graphics And Image Processing		
PG3BE5	Cryptography	Professional ethics	Understand the most common type of cryptographic algorithm
PG3BE6	Data Mining And Data Warehousing	Professional ethics	To interpret the contribution of data mining and data warehousing to the decision support level of organizations To understand different models used for OLAP and data pre-processing
PG3BE7	Distributed Computing	Professional ethics	To make students aware of the main techniques for managing a distributed database management system and be able to design a simple distributed database system
PG3BE8	Modeling And Simulation	Professional ethics	The goal of the course is to provide a strong foundation for computer graphics principles, and provide a hands-on introduction to recent advanced topics.
PG4B15	Principles Of Information Security (Self Study)	Professional ethics	To understand the models, tools, and techniques for enforcement of security with some emphasis on the use of cryptography.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: M.Sc. (IT & M)

PROGRAMME CODE: PSIM

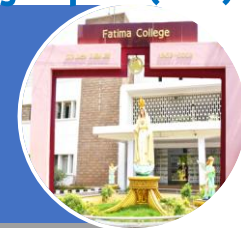

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
MIT211	Marketing Management	Professional Ethics	Students will be able to gain the knowledge on the current issues in managing the marketing strategies.
MIT212C	Human Resource Management	Professional Ethics	Students are focused to the issues on managing the Human resources.
MIT216	Communication Skill	Environment and Sustainability	Current environmental issues will be taken as the discussion topics to improve communication skills of the students.
MIT321C	Cryptography and Information Security	Professional Ethics	Students are focused to the issues on safety measures on web application.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: M.Sc. (CS &IT)

PROGRAMME CODE: PSCI

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
MIT216	Communication Skill	Environment and Sustainability	Current environmental issues are taken as discussion topics to improve the communication skills of the students.
MCT319	Mobile Computing and Wifi Technology	Professional Ethics	Students will be able to gain knowledge on the current issues in usage of data on public media and its wireless technology.
MCT322A	Cryptography and Information Security	Professional Ethics	Students are focused to the issues on safety measures on web application.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: M.Sc. IT

PROGRAMME CODE: PSIT

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
19PGIT208	Network Security	Professional Ethics	Students deal with the issues on safety measures of web application.
19PGIT210A	Cloud Computing	Professional Ethics	Students will be able to gain knowledge on the current issues in usage of data in public media

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: M.Com CA

PROGRAMME CODE: PSCC

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
19PG2SI01	Summer Internship / Training	Professional Ethics	Students integrate classroom knowledge and theory with practical application and skills developed in professional or community settings.
19PG4CA21	Project	Professional Ethics	The project encourages students to make decisions about the direction to take, and to work independently.
	Soft Skills	Professional Ethics	The course aims to cause an enhanced awareness about the significance of soft skills in professional and inter personal communications and facilitate an all-around development of personality.
	Career Oriented Course in DTP	Professional Ethics	This course is designed to provide students with essential graphics and visual communication skills that they can use to enhance almost every aspect and apply

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

			to their career
	MOOC Courses	Professional Ethics	Promotes self-learning
19PG3CA14	Web Programming in PHP	Professional Ethics	This course moulds the students individually and collectively to use the skills learnt in web programming for the benefit of society.
19PG4CA19	Java Programming	Professional Ethics	This course is designed to help the students to evolve as professionals as well as aims to satisfy the basic human needs, honesty, attitude and team work.
19PG3CAE2	Software Analysis And Design	Professional Ethics	This course helps the students to emerge as professionals as well as to maintain the standards of ethical conducts.
19PG4CAE4	Network Security and Cryptography	Professional Ethics	This course is framed to achieve the principles of professional ethics such as integrity, professional competence and confidentiality.
19PG1CA1	Financial Management	Professional Ethics	The students are trained as a personal and corporate rule that govern behaviour within the context of particular ethics.
19PG1CA2	Accounting for Decision Making	Professional Ethics	The students are trained to maintain and uphold the business ethics relating to integrity and objectivity

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

PG4CA13	Human Relations Management	Human Values	The students are enabled to deal with manpower planning and development related activities.
PG1CA1	Financial Management	Professional ethics	Studying financial management opens up a lot of diverse career opportunities. It is also beneficial for those people who are interested in starting their own business.
PG1CA2	Accounting for Decision Making	Professional ethics	The primary focus of Management Accounting is on the determination of policies and formulation of plans in order to accomplish the desired objectives of the top management
PG2CA7	Introduction to Internet	Professional ethics	This course helps the students to apply their skills professionally and ethically
PG3CA11	Web Programming in PHP	Professional ethics	This course moulds the students individually and collectively to use the skills learnt in web programming for the benefit of society.
PG3CAE2	Software Engineering	Professional ethics	This course is focused to help the students to emerge as professionals as well as to maintain the standards of ethical conducts.
PG4CA13	Human Relations	Human values	Human relations management will be taught how to

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

	Management		manage the conflict in working place and how to resolve it.
PG4CA14	Java Programming	Professional Ethics	This course is designed to help the students to evolve as professionals as well as aiming to satisfying the basic human needs, honesty, attitude and team work.
PG1CA2 (2013-17)	Cost and Management Accounting	Professional ethics	This course helps the students develop competencies that will benefit them throughout their careers, such as critical thinking, communication, and leadership skills.
PG1CA3	Visual Basic	Professional Ethics	Visual communication system is the most vulnerable system which affects the society effectively. The students are trained as a professional to maintain the discipline and the conscience of the moral of the society.
PG2CA6	Corporate Accounting	Professional ethics	The ability to prepare consolidated accounts for a corporate group.
PG3CA9	Entrepreneurship and Women in Micro Enterprises	Gender	Boosting women's self-efficacy and ambition to encourage them to embark on an entrepreneurial career.

Criterion : I – Curricular Aspects

PROGRAMME CODE: MBA

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
MBA 101	Management Principles and Practice	Professional Ethics	The fundamental concepts of management and the principles of management thinkers are focused in this course
MBA 102	Management Accounting	Professional Ethics	The Accounting Principles and standards are pinpointed in this course
MBA 103	Computer for Managers	Professional Ethics	The basic computer literacy and the ethics in handling systems without any Cyber Crimes are focussed in this course
MBA 104	Managerial Economics	Environment & Sustainability	This course concentrates on the economic stability and present business condition along with environmental sustainable strategies for business during various

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

			periods
MBA 105	Organizational Behavior	Human Values	The strength of Human beings and their efforts in the organizational goal achievement is focussed through the concepts of Perception, Personality, Attitude and Conflict Management in this course
MBA 106	Quantitative Techniques	Professional Ethics	This course elucidates the mathematical expressions of all business problems using LPP, AP and TP to have ethical approach in the organization
MBA 201	Production & Operations Management	Professional Ethics	This course highlights on the functions of production department and its ethical operations in an organization
MBA 202	Human Resources Management	Human Values	This course enumerates the view of Human beings are not made of bricks and they are having uniqueness in motivation, Job performance, etc.
MBA 203	Marketing Management	Professional Ethics	This course focuses on the principles of Marketing through the various Ps of marketing and its ethics in marketing activities
MBA 204	Financial Management	Professional Ethics	The role of Finance Manager in an organization is elaborated using various types of decisions taken in the organization like Liquidity, Short-term and Financing

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

			decisions
MBA 205	Management Information System	Professional Ethics	The Linkages of different types of information systems are discussed in this course that explains the ethics using business analytics in the environment
MBA 206	Business Research	Environment & Sustainability	This course explains the Research activities to be performed in the organization for the sustenance of the product in the market
MBA 301	Strategic Management	Environment & Sustainability	This course focuses on the strategic choice of the organization using environment scanning and sustainability of business
MBA 302	Entrepreneurship	Environment & Sustainability	This course highlights the types of entrepreneurial activities to be chosen based on environmental analysis
MBA 303	Marketing Research	Environment & Sustainability	The main aim of this course is to develop a sustainable marketing plan for an organization to suit the present scenario of Business
MBA 304	Advertising Management	Professional Ethics	This course highlights the ethics in Advertisements of various products through its principles
MBA 305	Sales and Distribution Management	Professional Ethics	This course focuses on the professionalism in selling the products along with channel of distribution in ethical

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

			way
MBA 306	Customer Relationship Management	Human Values	This course encompasses the human values through the management of Customers and their satisfaction in an organization
MBA 308	Brand Management	Professional Ethics	The Branding of a product is highlighted through ethical principles in this course
MBA 309	E-Marketing	Professional Ethics	This course ensures the professional ethics through the Digital Marketing and its principles
MBA 311	E – Commerce	Professional Ethics	This course focuses on the ethics in performing online trading of products and its issues
MBA 312	Introduction to GUI & Visual Basic	Professional Ethics	This course aims to highlight the application of GUI and VB in making organization activities with professional ethics
MBA 313	Enterprise Resource Planning	Professional Ethics	The ERP of an organization must connect all the departments of it with professional ethics and that is highlighted in this course
MBA 314	Knowledge Management	Professional Ethics	This course addresses the issue of professional ethics in developing knowledge-base for an information system
MBA 321	International Financial	Environment &	International Financial environment and practices are

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

	Management	Sustainability	analysed in this course
MBA 322	Project Financing	Environment & Sustainability	Project proposal according to the business environment and mode of financing the project is analysed in this course
MBA 323	Strategic Financial management	Environment & Sustainability	Firm valuation and strategic environmental decisions are considered in this course
MBA 324	Fundamentals of Insurance Management	Professional Ethics	The Insurance policies and its formation are discussed in this course
MBA 325	Management of Financial Institutions and Banks	Environment & Sustainability	the present scenario of banking sector and other financial institutions are studied in this course
MBA 331	Total Quality in Human Resource	Human Values	The importance of quality management system for human resources in the organization is examined in this course
MBA 332	Advanced industrial relations	Human Values	The Industrial relations are highlighted in this course
MBA 333	Training & Development	Environment & Sustainability	The Training and Developmental programmes are highlighted based on environmental requirement
MBA 334	Labour Legislation	Professional Ethics	The labour laws and cases are discussed in this course

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

MBA 335	Strategic Human Resource Management	Human Values	Human resources are managed with strategic decisions using various concepts are highlighted in this course
MBA 336	Career Management	Human Values	The career plan and its path are examined in this course
MBA 341	Value Engineering & Waste Control	Environment & Sustainability	The Production system based on the waste management are concentrated in this course
MBA 342	Materials Management	Environment & Sustainability	The Maintenance of materials in the organization are considered in this course
MBA 343	Advanced Manufacturing System	Environment & Sustainability	The recent developments in the manufacturing systems are concentrated in this course
MBA 351	Hospital Administration –I	Professional Ethics	Hospital management and its concepts are focused in this course
MBA 352	Health Insurance	Professional Ethics	The insurance policies and its claims are focused in this course
MBA 353	Hospital Accounting and Finance	Professional Ethics	This course focuses on the accounting and finance concepts for hospital management
MBA 401	International Business Management	Environment & Sustainability	The International business scenario and its sustainability is highlighted in this course

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

MBA 402	International Marketing	Environment & Sustainability	The International marketing environment and its business sustenance are focused in this course
MBA 403	Rural Marketing	Environment & Sustainability	This course ensures the environmental issues related to Rural areas
MBA 404	Marketing of Services	Environment & Sustainability	This course addresses the issues related to environmental sustenance for marketing the services
MBA 405	Consumer Behavior	Human Values	This course addresses the issues related to consumers and their preference towards products
MBA 406	Retail Marketing Management	Environment & Sustainability	The retail management and its present situation is analyzed in this paper
MBA 410	Relational Database Management System & Oracle	Professional Ethics	The data base management and its creation along with programming is highlighted in this course
MBA 411	Internet & Java Programming	Professional Ethics	The ethical issues related to Internet and programming are addressed in this course
MBA 412	Computer Networks	Professional Ethics	This course ensures the ethics in networking management in an organization
MBA 420	Security Analysis and	Professional Ethics	The stock market and its organizational ethics are

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

	Port folio Management		highlighted in this course
MBA 421	Export Finance & Documentation	Professional Ethics	This course ensures the Export procedures and financial ethics
MBA 422	Management of Financial Services	Professional Ethics	The financial service products are assessed in this course with ethical issues
MBA 423	Mergers, Acquisitions and corporate restructuring	Environment & Sustainability	The corporate strategies are focused in this course
MBA 430	International Human Resource Management	Human Values	The Human values in international Human Resource Management is considered in this course
MBA 431	Industrial Psychology & Counseling	Human Values	The psychological issues of the employees are focused in this course
MBA 432	Human Resource Accounting and Audit	Human Values	The accounting principles and concepts are analyzed in this course
MBA 433	Management consultancy	Human Values	The consultancy services and procedures are focused with human values in this course
MBA 434	Disaster Management	Human Values	The Human element after disaster is assessed in this course

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

MBA 435	Human Resource Information System	Human Values	The application of information system in managing HR with values are addressed in this course
MBA 440	Total Quality Management	Professional Ethics	The ethics in quality production of products are highlighted in this course
MBA 441	Production Planning & Control	Professional Ethics	This course addressed the professional ethics in the production system
MBA 442	Project Management	Professional Ethics	The Project approval and ethics in project appraisal are assessed in this course
MBA 450	Hospital Administration – II	Professional Ethics	The ethics to be followed in various departments of the hospital management is analyzed in this course
MBA 451	Quality Management in Hospital	Human Values	The quality management of services in the hospital with ethics are assessed in this course
MBA 452	Marketing of Hospital Services	Professional Ethics	The ethical ways of marketing the hospitals services are focused in this course

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum

Year : 2015 - 2020

NAME OF THE PROGRAMME: MCA

PROGRAMME CODE: MCA

COURSE CODE	COURSE TITLE	ISSUE ADDRESSED	FOCUS OF THE COURSE
19MCA108	Soft Skills I - Communicative English	Human Values	The students are trained to display competence in oral and written communication
19MCA208	Soft Skills II – Colloquium	Human Values and Professional Ethics	The personality of the students is groomed to prove themselves as good Samaritans of the society.
19MCA507	Soft Skills V – Interpersonal Skills for Corporate Readiness	Human Values and Professional Ethics	The students are sensitised to collaborate in teams and improvise their time management skills
19MCA410	Live Project	Professional Ethics	The students are made to hone analytical and logical skills for problem solving
19MCA510	Internship	Professional Ethics	The students are made to observe and participate in business operations and decision-making. Meet professional role models and potential mentors who can provide guidance, feedback, and support.

Criterion : I – Curricular Aspects

Metric : 1.3.1 – Institution integrates crosscutting issues into the curriculum
