Respected Sir,

Sub: Entrepreneurship Awareness camp – reg

Greetings!

Fatima College is striving towards the holistic development of our students. In addition to academic qualifications, we would like to get them entrepreneurship skill training so as to become young entrepreneurs in their own fields. We have Fatima Incubation & Entrepreneurial Skill Training & Animation centre in the campus which offers skill training on paper recycling and oil extraction.

We are happy to know that the RUDSET is a pioneer and conducting lot of training programmes in various fields and produced many entrepreneurs. It would be great, if you could share your experiences and scope for entrepreneurship in the young minds of students to get motivated in entrepreneurship. In this regard, I request you to kindly conduct an entrepreneurship awareness camp to our students.

Look forward to your kind response.

Thank you

Yours sincerely,

Sr. G. Celine Sahaya Mary
