Outcome : At the end of the training program the students

- gained **practical knowledge about Beauty and health care**
- learnt to **prepare their own home remedies for beauty treatments**
- were **motivated to start their own business**
- students **prepared their own products**

Report:

The **Beauty Culture and Health Care Course started** in the month of August 2018. 22 students enrolled their names by paying 1500 rupees each and they learnt the course successfully within a short period. The classes were conducted at Scarlet Beauty Parlour, one of the Business Start-ups of the College. They were conducted every Monday for two hours. The students were trained in basic techniques of threading, hairstyling and skin care. They have also learnt to prepare their own home remedies for beauty treatments. They were also motivated to start their own business and students in turn also tried by preparing their own products. Students were also asked to maintain a separate practical notebook for future reference. The class was handled by Miss B. Dharani, Assistant Professor, Department of English. At the end of the course feedback was collected from the students.
