### Report:

On 01.12.2018, IQAC AND FIESTA of Fatima College jointly organized a one day training programme on Mush room cultivation in the campus to sub staff. All the sub staff participated in this programme with enthusiasm.

The Trainers from VTECH MUSHROOM cultivation gave hands-on-training to the staff members. Participants were trained to make beds out of hay. Nearly 50 beds were prepared by them. Trainers explained how to make huts for cultivating mushroom. Doubts were clarified by trainers regarding the cost of cultivation. Participants were motivated to start their self-business.

The staff-in-charge of FIESTA initiated to cultivate mushrooms in the college campus which harvested the expected yield after 21 days. The harvested Mushroom were sold in the college premises and the profit earned was reinvested. Thus, the participants took home the clear message that mushroom cultivation can be a highly profitable business in modern times.
