

Research Advisory Committee

Title : Guest Lecture on “Need for Intellectual Property Rights Cell in College”

Date : 11.02.2019

Resource Person : Mrs. Malarvizhi, Professional Patent Agent, Madurai

No. of Participants : 19

Focus on : **Intellectual Property Rights**

Outcome

- **The participants were briefed about the importance of starting an IPR Cell**
- **They were motivated to venture into Innovative research and go for patenting**

Report:

The Intellectual Property Rights Cell was inaugurated at Fatima College, Madurai on 11.02.2019. As part of the inauguration programme an awareness session on IPR was organized. The registered patent agent Ms. Malarvizhi gave a detailed insight on the importance of starting an IPR cell in college involved in Multidisciplinary research.

The staff members from various arts and science departments were motivated to preserve their innovative ideas and go ahead to register in the form of copyrights, patents, research secrets, etc.,

The staff were motivated to encourage the post graduate students and research scholars to pool in their varied innovative ideas into a structured format to be recognized as registered patents. The research work done in the area of food, medicine and agriculture is yet to be explored. She gave ideas to students about marketing their research secrets in the international trade, where they could function as inventors and the college could help in investing towards registration.
