DEPARTMENT OF COMPUTER SCIENCE
A ONE DAY WORKSHOP ON WEB SERVICES USING XML
31st January 2020

A REPORT

Department of Computer Science conducted one day workshop on Web Services Using XML on 31st January 2020. This workshop was focussed on introducing XML concepts, which is currently used to transfer documents from one application to another over internet. The special features of XML used to carry out above mentioned task are also demonstrated in this workshop. XML is one of the most common tool for data transmissions between all sorts of applications, and is becoming more and more popular in the area of storing and describing information. One of the most time-consuming challenges for developers is to exchange data between incompatible systems over the Internet., which can be implemented in an easiest way by using XML. In this workshop hands on training were given to the participants

Thirty four students and two staff from other colleges participated in this workshop. This workshop was organised under the guidance of Dr.G.Germine Mary, Head and Associate Professor, Department of Computer Science. Technical sessions were handled by Dr.G.Germine Mary and lab sessions were assisted by department staff. Finally workshop material was given to the participants for future references.
