✓ Which career is Right?

✓ Succeeding in Your IT Career

✓ How to search for the needed certifications

The session focused on the future career prospects of IT industry. Each student has to decide very early when they were exposed to "what they wanted to be when they grow up". But for most, the process of career selection started during the end of their college years. They began to discover their passions, met the guidance counselors to expose the career possibilities. He highlighted that oftentimes, career selection doesn't end after the awarding of a college degree. More frequently, this is the most earnest stage of the career selection process as new graduates start to enter the workforce and explore different career opportunities.
