UNNAT BHARAT ABIYAN (UBA)

Unnat Bharat Abiyan 2.0

Unnat Bharat Abiyan is a flagship programme of the Ministry of Human Resource Development with the intention to enrich Rural India. Fatima College is one of the Participating Institution under UBA- 2.0 selected in a challenge mode based on our past contribution to societal development.

As per requirement, our institution identified 5 villages namely Thirumal Natham, Nedungulam, Vadugapatti, Ambalathadi and Kondayampatti in consultation with the District Collector and have built good rapport with people. So far we have conducted Participatory Rural Appraisal and formed stake holders committee in each villages. Village survey and house hold survey has been carried out and uploaded in UBA Portal.

Faculty and Students have participated in Gram Sabha meets and addressed local issues and have under taken various activities to find solution to those problems in collaboration with villages.

Village Development Plan was prepared with Stake Holders of the respective villages. Regular activities such as Tutoring, Swachatha Activities, Jal Sakthi activates, environmental protection activities and skill trainings are carried out on a regular rhythm. Initially during the year 2018-2019 Our Institution received Rs.50000/- as seed money to carry out survey related activities.

For Second Phase during January 2020, our Institution applied for Perennial fund which is provided to those institutions who are participating in multiple development work or projects in the villages through regular visits. Selection is done on merit basis based on the evaluation of the progress report of PIs.
