## OUTCOME

The NSS students got a chance to walk hand in hand with the visually challenged students. They rendered self-less service to them serving as scribes, reading out and recording audio lessons. It was a good gesture from our students when they refused to get the money which the parents of the visually challenged students offered for their service.

On 15.02.2020 LIT THE LIGHT organization conducted 'LIT THE LIGHT'S READ FEST programme. The NSS students of fatima College have been participating in it for the past two years (2018-2020) They have won prizes also. Fatima College is one of the two colleges in Madurai to get the "Helen Memorial Award" for its continued volunteer support. Our students read the TNPSC Exam books and recorded them for the benefit of the students.
