International day of people with disability was organised by NSS at the premises of Fatima College on 3rd December 2015 to encourage a better understanding of people affected by a disability, helping to make people more aware of the rights, dignity and welfare of disabled people, integrating disabled persons into every aspect of life, economical, political, social and cultural.

The Principal and correspondent from “Bethshan School for special children” addressed the NSS volunteers and gave a captivating lecture on national disability day. NSS volunteers from the eight units and the programme officers were the keen audience.

He emphasised in his talk that the people with disabilities have the right to enjoy access to society on an equal basis with others, which includes areas of transportation, employment, and education as well as social and political participation. It is the right of every human being, both able and disabled, to participate in public life equally and create stable democracies, active citizenship and reduce inequalities in society. Through his presentation he also displayed versatile personalities who have come up in life even amidst their disabilities.

OUTCOME:

Students were made aware of the various aspects and concerns of people living with disability.

Motivation and opportunity was created for the students to volunteer in supporting the children attending special school as well as for the people living with disability in the society.
