NATIONAL SERVICE SCHEME

Awareness on Blood Donation

Date: 04-08-2016

Time: 2.00PM- 4.00PM

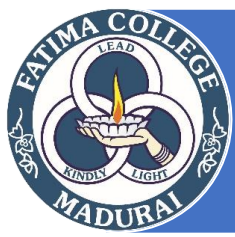

Venue: Fatima College, Madurai

No of Participants : 98

Resource Person: Dr. Mercy Joysten, Department of Transfusion Medicine, Rajaji Hospital, Madurai

The NSS team of Fatima College organized an awareness programme on blood donation on 4.8.16. Usually, adults mostly have misunderstanding and stigma in their minds. To end these mental blockades in the minds of youngsters, Dr. Mercy Joysten, Department of Transfusion Medicine, Rajaji Hospital, Madurai, was invited to address the NSS volunteers towards the noble act of blood donation. Also she emphasized upon a key point that if a person donates blood, it saves three lives, because each blood donation provides three different blood components, each with its own role in treating patients, it helps up to three different people. She explained at what intervals women can donate blood and the duration for successive donation and cleared the queries raised by the students. She also said that we don't just need to give blood in the event of tragedies or emergencies. Instead, it should be a normal and routine part of our lives.

OUTCOME: Students found the session very useful and they interacted with the key speaker on the various myths prevailing in the society about blood donation. At the end of the session, students were very much willing to donate blood and were giving names for the upcoming massive blood donation campaign.
