NATIONAL SERVICE SCHEME

Programme on Road safety

Date: 04-02-2017

Time : 2PM – 4PM

Venue : College Gate Road

No of Participants: 40

NSS wing of Fatima College carried out a one day programme on road safety in collaboration with Human Rights Protection Organisation on 4th February 2017. In the morning session, the NSS wing organised the road safety programmes at the front of the college premises. Two wheeler riders wearing helmets were identified by the NSS volunteers and certificates were distributed to them in appreciation of their life saving gesture of wearing helmets. Around 500 people were identified travelling with helmets during the peak hours between 9 -11 in the morning. Officers from the regional transport office (RTO) were present assisting the traffic and distributing the certificates to the beneficiaries.

In the second session, a smoke checking test was done for two wheelers of our students and staff. Pollutants emitted by a petrol engine include oxides of carbon, nitrogen and sulphur along with hydrocarbons and lead. It's the quantity of carbon monoxide (CO) in the smoke which is checked for pollution control. If smoke has less than 3% CO concentration, the vehicle is considered non-polluting. Around 80% of the vehicles of the Fatima College were cleared of emitting pollutants and ensured of being environment friendly.

Outcome: Public were insisted to wear helmets while driving the two-wheelers. They were asked to check the smoke for pollution control. NSS volunteers understand the importance of road safety.
