Fatimites Interconnecting with Nature (FIN)

Green club of Fatima College was inaugurated on September 23, 2016 for the undergraduate students. Green club was renamed as FIN (Fatimites Interconnecting with Nature). Dr. Aruna Devaraj, MKU Research Guide and Director & Mr. Rajendran, Herbal Research & Training center, Periyakulam were the chief guests of the day. She inaugurated the FIN activity with a talk on “Herbal Medicine for Holistic Health” in which she highlighted the importance of taking breakfast and a balanced diet through demonstration.

She introduced the theme in a very attractive manner by showcasing the vegetables and fruits of rainbow colour which are antioxidant rich and gave explanations about the health benefits and healing aspects of the same for various ailments. She also emphasized the students to utilize FIN meticulously for growing more number of trees and instill love for nature. Eventually towards the close of the session the nest boxes were distributed to the student volunteers of FIN in the name of five elements and Nilavembukudineer were supplied to all the participants and saplings were planted by Sr. Principal and the Chief guest.

OUTCOME : Students have come to know about the importance of taking breakfast and a balanced diet and have shown passion for growing more trees with love and care.
