A REPORT ON WOMEN'S DAY CELEBRATIONS – 2017

Date: 08-03-2017

No of Participants : 100

International Women's Day, held annually on 08 March, is a global day of celebration of women and their achievements in the present and in history. Across the world, women as individuals, women within their families, women's groups large and small and women at work take time to mark the day. Events are organized which provide the time and space to reflect on how far women's rights have come and to inspire generations of women to claim their rights and their place as citizens in an equal, safe and just society.

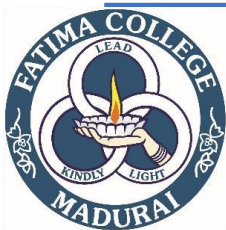

Mrs.K.CindhuLatha from the Department of English, Parvathy's Arts College, Dindigul has inaugurated the function. The chief guest addressed the gathering on the importance of empowerment of women in her speech.

In her message she said that a woman is the life giver to the whole human race and it is the responsibility of everyone to give her a respectable status and honor in society. He advised women to empower themselves without waiting for any external agency to help them. She lauded the modern women as they are prospering equally well along with men and competing with men in all fields. Women should also identify their strengths and abilities, and move towards a world of empowerment. Women empowerment lies in honoring yourself and treating yourself with respect. "No one can put you down without your permission". On this occasion, we should work towards building a better world where men and women live harmoniously, free of violence and discrimination. After the valuable guest address the cultural event was organised.

Outcome of the Activity:

"Here's to strong women, may we know them, may we be them, may we raise them."

According to the above quote, our students are able to develop an understanding of how equality can impact on a wider society.
