The movie’s concept was about a boy who lost his sister’s shoes. He tries to find it but he couldn’t. So two of them share one pair of shoes to school. At one day he tries to steal a sandal of the other one but his heart doesn't allow it. He participated in a running race where the sport shoe was announced as third prize but by luck as well as hard work he got first prize. He feels a lot for it, But at last his father bought new shoes for both of them.

Outcome: This movie reveals the love shared between brother and the sister. They adjust themselves according to their family situations. Students learnt the value of being happy and content with the minimum we have.
