Activity Description:

“Not every child understands what life is after becoming senior citizens. How the aged are abandoned by their children and lead a life of recluse in orphanages with wrinkled faces, tears in eyes, body feeble and frail.”

To make the students understand the feelings of the aged, the students of “AICUF” went to **Mother Teresa Home** on 18.10.2016. Above all, the students arranged for a small feast for the inmates of the Mother Teresa home. The students and the teachers served the eatables and other house hold things to the aged and also to the mentally retarded persons in the home. When the aged explained about their agony, students and teachers felt emotional. Students also entertained them with a short cultural program.

Outcome:

- Students learnt how to help needy people.
- Students learnt how to make the people happy.
