Time: 2.00PM- 4.00PM

No of Participants : 170

Venue: Fatima College, Madurai

In order to sensitize the students and make them aware of the difficulties and challenges faced by differently abled persons in day to day life the NSS Unit of Fatima College organized an Awareness programme on “Psychological and physical Challenges faced by differently abled students” on 18.01.2018 in the premises of Fatima college. Dr. D. JannetVasantha Kumari, Principal, Madurai Institute of Social Sciences, Madurai was the resource person.

Dr. Jannet addressed the gathering with her own life experiences. She explained about the positive stroke, negative stroke and plastic stroke and how it affects the mood of the differently abled persons. She beautifully clarified how communication and voice modulation affects and affects their activity.

Dr. Jannet said that the most difficult tasks for disabled people are daily tasks like getting up, walking, shifting places, traveling to the workplace or climbing stairs. So students can help differently abled students in their daily tasks. She also said that like all other students they too have hopes, dreams and aim which could be achieved by support from their friends.

The session utilizes Self Awareness, Empathy and other Life Skills to orient and encourage students to adopt a positive outlook to life and to be proactive in preventing the occurrence of disabilities. Some case studies were also mentioned by the speaker.

OUTCOME: Students learned how important it is to spread awareness about the disability, to respect them and to not ignore them.
