NATIONAL SERVICE SCHEME Creating awareness on Effective Disposal of Vegetable wastes

Date: 07-09-2017

No of Participants: 52

On 07-09-2017 “Creating awareness on effective Disposal of Vegetable wastes ”programme was organized in the Othakadai market, Arasaradi, Madurai.

Vegetable markets which produce plenty of vegetable waste daily in tonnes. Thus if these wastes were effectively used for organic manuring, biogas generation or as fodder for cattle it would be an effective method of disposal. So the students wanted to create an awareness among the people in the market. They distributed pamphlets describing the methods of recycling the vegetable wastes. Few charts were tied in the shops in which slogans about cleanliness were written. They found that both Bio- degradable and non bio-degradable wastes were dumped into the waste bins. So they interacted with the people about the need for cleanliness, insisted them to separate wastes into Bio-degradable and non bio degradable wastes and then dispose of them.
