A session on 'Values through Magic' was organized by the NSS units of Fatima College on 29.02.2018. Mr. Rajesh Fernando, Value communicator and Magician, Guinness record holder, Bangalore was the resource person. All the NSS students participated in this session. The programme was organized to educate as well as to entertain the students. His unique way of teaching and inculcating values in young minds was inspiring. He narrated the students about the incidents in great people's life like former president of India Dr. APJ Abdul Kalam. He also taught three mantras in life: dream, dare and do through his different steps in magic. Through every magic trick performed, he delivered a message to the students. He kept on saying to them that all the tricks were illusions and not magic, and his sole aim was to educate youth through the magic. He also spoke simple practices to lead a Healthy life like drinking more water, a good night sleep and so on. He spoke about the sacrifice of the parents to bring up their children which was the culmination of the entire programme. Students got emotionally moved, some even cried and realized the truth that they have been hurting their parents and said that would not happen again.

**OUTCOME:** Students were inspired with messages that were really thought provoking through a magic programme.
