Activity Description:

On 27th February 2019, the AICUF club activity was held. All the members of the AICUF assembled in front of SM Block. The students presented their charts on the topic “**Women and Issues**”. And based on the presentation marks were given for each group. Students came up with different ideas and explanations. Their presentations were really interesting and all of them actively participated in the presentation.

Presentation on the topic “Women and Issues”

OUTCOME:

It was very useful for the students to express their own experiences regarding women issues.
