“Success is a Journey, Not a Destination”

On 6th December 2018, Rotaract Club of Fatima College, AICUF of Shift II and Women’s Cell of Shift II jointly organized a training program on “Journey of Success”. Mr. Anand S. Isaac handled the training session. Success is not an event, it is a process. To finish any great endeavor you must first start. The success journey is the process of working through each step to arrive at the next one, with each step motivating and inspiring you to press on without fail. The following are the key points he insisted.

- Success is never final. Failure is never fatal. In the end, it’s the courage to continue that counts.
- We should be Consistent in our journey
- We should be passionate
- We should be dedicated.

The training session was filled with interesting and interactive activities.
