The Green club inauguration was held on 30/07/2018 in San Jose seminar hall. The green club Inaugural address was delivered by Dr. S. Rajendran, Associate Professor Department of Botany, Saraswathi Narayanan College, Perungudi, Madurai. He motivated the students to go green in all their ideas and plans as he encouraged the young generation to come forward to protect earth. Also his speech focused on the importance of waste management and different methods of recycling the wastes. He insisted on growing indoor plants so that they would help to contribute to the green coverage. It was an awakening session for the students to know about the importance of the natural resources, after the session the chief guest along with green club coordinators visited the solid waste management pit. It was a lively session which was mixed with a sense of humor and was thought provoking too.

OUTCOME: The session made them focus on the importance of waste management and its necessity.
