Ambalathadi, a village selected under UBA scheme of the Central Government of India, is an adopted village for Fatima College, ROSA assigned for The Research Centre of Commerce. A team of four members, including the Co ordinator of the Extension Programme visited and attended the Grama Sabha meeting of Ambalathadi village. The team observed the village and made friendly interactions with the villagers, in order to ascertain the issues to be addressed.

As observed, the village has lush greenery, clearly proclaiming that the occupation of the villagers is agriculture. Many of the lands are held by few of the villagers, whereas the rest of them are being employed on agriculture. The roads of the village were poorly maintained. **Open drainage, open defecation and improper disposal of waste are the main issues to be addressed.** The same was put forth in the Grama Sabha meeting by the Coordinator of ROSA, of Fatima College. The villagers were convinced on the need to moving towards a clean India, and their cooperation in making Ambalathadi clean was elicited.
