## NATIONAL SERVICE SCHEME

### SHIFT I

### SWACHHATA PAKHWADA

**Date:** 16-01-2020 TO 31-01.-020

**Time:** 9.00AM- 4.00PM

**Venue:** Fatima College, Madurai

**No of Participants:** 100

**Swachhata Pakhwada** week was observed in Fatima College campus from 16th to 31st January **2020**. This mission has been initiated by the central government to make every citizen in India realise the importance of cleanliness, water conservation and other basic needs and responsibilities one should follow for the development of the nation. The mission is carried out by students of NSS, NCC, Women Cell, Physical Education, AICUF, Environmental Awareness club, Rotaract club, Youth Red Cross club and Green club of Fatima College by participating in various awareness programmes, competitions and events under different themes. The aim of the mission is to make students vigilant about the dangers to the environment they live and to protect the same.

On 16<sup>th</sup> of January students of Fatima College took an Oath of Swachhata Pakhwada. The objectives and vision of Swachhata Pakhwada were clearly explained to the students. They pledged to make their society clean.

**Swachhata Pakhwada - Oath Taking**

### Plantation of Saplings (17-02-2020)

On 17<sup>th</sup> October, 2019 students of Fatima College successfully organised the event of tree saplings and herb plantation in the college near Self-financing canteen as part of Swachhata Pakhwada activities. They planted saplings of different

**SWACHHATA-CLEANLINESS DRIVE IN HOSTEL**  
**25.01.2020**

A healthy mind lives in a healthy body. Mental health is imperative for physical health. Mess is the place which serves food and cleanliness of this place is very essential. The activities taken up during this period included inspection of the quality of food prepared and the cleanliness of the vessels, utensils, appliances and gadgets used for cooking in the mess. The storage facilities for food grains were checked thoroughly. Our students checked the drainage facility which was also well planned and built. Students instructed the mess workers about segregation of waste into disposable and non-disposable and proper disposing of them. We are very happy and proud to register that our hostel produces quality, hygienic food, ensuring the good health of the inmates.

**Best out of Waste Competition (27-01-2020)**

**ENVIRONMENT EDUCATION**

In today's world recycling has a very important place. There are a lot of things around that are labelled as dump. But the irony is that most of the dump collected is useful for others if recycled.

Hence utilizing the best from unwanted things has become a generic necessity of every human's life. These craft from waste activities can be incorporated into the students mind to make for a greener future. Students exhibited their Art through converting the waste materials into useful products on **27.1.2020**.

The following students have won the competition:

1. G. PRIYADHARSHINI – B.Com.CA – 'B' Sec - 2018AB71 – **First Prize**
2. G CHIYAMALA – BBA Department – 2018BB19 -**Second Prize**
3. AKSHAYA VISHALI-JMC – 2018JM01- **Third Prize**

**Criterion : III – Research, Innovations and Extension**

**Metric : 3.6.3 & 3.6.4 Extension Activities**

**Year : 2019 – 2020**

**Handicrafts made with waste material**

**Criterion : III – Research, Innovations and Extension**

**Metric : 3.6.3 & 3.6.4 Extension Activities**

**Year : 2019 – 2020**

### **Organisation of special drive on Water Conservation (28.01.20)**

The students were oriented about the water conservation system at college on 28.01.2020. Fatima College has also installed a drip irrigation method to water the plants and grasses instead of using hoses and pumps. The drip irrigation reduces the wastage of water as well as concentrates on the roots and keeps the plants fresh throughout the day.

#### **Orientation on Water Conservation System – Sump to collect and distribute water**

**Drip Irrigation**

**Year : 2019 – 2020**

**Activities in the adopted Village in association with NGOs (29.01.20 & 30.01.20)**

As part of Swatchhata Pakhwada activities Fatima College organized various activities to create awareness about ban on plastic material meant for one time usage only, on 29<sup>th</sup> January 2020. The main objectives of the visit is to create awareness to the village people on the above topics through Street Play, Rally, Skit, Poems and display of Banners. Students took out an awareness rally and they interacted with many residents of the area and urged them to take remedial measure to ensure clean and hygienic environment.

**Rally to create awareness about ban on Plastic Material meant for one time usage only**

**Criterion : III – Research, Innovations and Extension**

**Metric : 3.6.3 & 3.6.4 Extension Activities**

**Year : 2019 – 2020**

### Cleaning Activities

**Before Cleaning**

**After Cleaning**

**Awareness song on importance of Cleanliness**

Another group of students created awareness among villagers about the plastic free environment through street theatre in **Thirumalnatham** on 11.12.2020. They portrayed the ill effects of plastic usages such as environment pollution, water scarcity, health problems and so on.

### Students sharing their experience gained through Swachhata Pakhwada activities

#### Outcome of Swachhata Pakhwada

The students were highly motivated and were committed to this service rendered to the community. Cleaning activities were carried out in the laboratories, administrative building, class rooms, library, auditorium, play grounds, hostel and other premises. Nearby villages, farmers and other society members were also sensitised and this has resulted in building up of new generation of warriors for the Clean India Campaign. This campaign and efforts will continue in future for building a strong and healthy India.
