YOUTH RED CROSS of FATIMA COLLEGE A REPORT ON DISTRIBUTION OF FACE MASKS FOR SUPPORT STAFF

Date: 08-08-2019

Time: 10AM – 12 PM

Venue: DEPARTMENTS OF SHIFT II

No of Participants:20

Activity: Distribution of Masks For Support Staff

The Youth Red Cross team of Fatima College decided to conduct an interview on 8 August 2019 of the support staff who are working for many years at the institution. Students of the Youth Red Cross asked a few questions regarding the problems faced while cleaning the restroom.

They asked the students to dump their used sanitary napkins in the bins as they find difficulties in picking the sanitary napkins. They accepted their invitation to take part in the medical camp which will be conducted soon. Support staff need to be treated like other white collared job people. In most of the places their hard work is not recognized. Students understood the plight of the workers and took the vow that they would keep the restrooms clean.

A special campaign would be held inside the college campus in the wake of the interview taken from the support staff. Their works were appreciated and as a token of respect and consideration of their health, active carbonated reusable face masks were distributed to them individually. The support staff felt elated at the initiative taken by the students of the Youth Red Cross.

OUTCOME: our students were able to empathize with the problems faced by the support staff every day.
