GREEN CLUB REPORT 2019-20

Date: 22-08-2019

Time: 12PM– 1: 30PM

No of participants: 30

Venue: Jubilee Hall

Programme: Green Club Inauguration & Guest Lecture on Solid Waste Management

Inauguration of Green club was held on 22.08.2019. The inaugural address was delivered by Mr. K. Thirupathi, Professor, KM College of Pharmacy & Managing Director, KT greens, (Solid Waste Management Unit) Madurai. The chief guest spoke about the management of solid wastes both at domestic level and at corporations and municipalities. He also explained about the method they follow in their unit “KT Greens” to convert vegetable wastes collected from the hotels in Madurai into organic manure for which they have signed an MoU with the corporation of Madurai. They carry out organic farming also. He explained different methods of composting and the methods employed to enhance the process. He also said that biogas plants and electric charging points for cellular phones can also be produced out of vegetable wastes. He said that every organic waste can be converted into energy or other useful forms.

OUTCOME: Students acquired knowledge about converting waste into wealth and realised the importance of solid waste management
