ACTIVITY VII - PLANTING HERBAL SAPPLINGS

Date: 19-10-2019

Time : 1: 30 PM

No of participants: 18

Venue : SF Garden

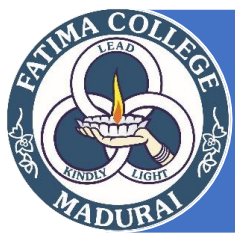

Programme: Planting Herbal saplings

Our green club students from SF planted 23 herbal plant saplings near SF canteen on 19-10-2019. The main aim of this activity is to have a green campus. This activity encouraged the students to plant trees at home and nearby places.

OUTCOME: Students learnt the importance of simple medicinal herbs and its part in home remedies.
