ROSA- REACH OUT TO SOCIETY THROUGH ACTION SKILL TRAINING PROGRAMMES

Name of the Department : Research Centre of Home Science
Name of the village : Thandalai
Name of the Activity : Jam preparation
Number of Beneficiaries : 25
Number of Students involved : 20
Date of the Activity : 21-09-2019

Students were taught the method of preparing jam from easily available fresh fruits in villages. By using this method, children were taught how to eat fruits without the loss of nutrients. The ladies identified this method to be effective in feeding the children with fruits as they can prepare jam whenever they need. They were pleased about the recipe as they were not aware that jam could be prepared in home using such simple steps.
