NATIONAL SERVICE SCHEME

Dengue Awareness Talk and Door to Door Campaign

DATE: 21.07.2015

TIME: 2.00PM- 4.00PM

VENUE: Fatima College, Madurai and Adopted villages

As an attempt to mitigate the dengue menace, Madurai City Corporation had decided to initiate dengue prevention measures by roping in college students for sensitizing the public. On July 21st Shri. Varadharajan, senior entomologist, ICMR, Madurai gave the NSS volunteers an awareness talk about the breeding of dengue-spreading mosquito aedes aegypt and the preventive measures in Fatima College. The program was organized by NSS. The students were involved in creating awareness among the residents. They went door to door in the ward allotted to each group and sensitised the public. Along with the students, self-help group members and volunteer organisations were also the part of the dengue precautionary measures team.

CHIEF GUEST PROFILE: Shri. Varadharajan, Senior Entomologist, ICMR, Madurai.

OUTCOME: The students learned about dengue and its preventive measures.

“AWARENESS ON CANCER”

DATE: 17.12.2015

TIME: 2.00PM- 4.00PM

VENUE: Fatima College, Madurai

As a part of NSS activity, program on “Cancer Awareness” was held on 17.12.2015 in the premises of Fatima College. The resource personnel of the program were Dr. Alagu Ganesan, surgical Oncologist and Mrs. Reavathy, Executive, from Vadamalayan Hospitals, Madurai. Dr. Alagu Ganesan, gave an awareness speech about Breast and Cervical cancer through videos and power point presentations. He emphasized the increase in the risk for breast cancer with increase in the age. A brief awareness about symptoms were given and he explained about the nature of the cancer cyst and the students were taught to identify it. He advised them to carry self examination which should be carried out few days after their menstrual cycle. He also said that the average life time risk for breast cancer is 1 in 8, most being diagnosed at the age of 50. Further he also briefed about cervical cancer, its causative virus called Human papilloma virus which can be detected by Papsmear test and Colposcopy test. He also gave interesting information about the vaccines that prevent cancer which would be available soon in India. “This session about self examination and cancer prevention made us overcome the inhibition to self examine ourselves appear for cancer tests.” This was their feedback statement by the students. Pamphlets about Cancer awareness and discount cards for the students were given. This session would have entirely benefited the students and in turn they would have spread the awareness to their family and friends.

CHIEF GUEST PROFILE: Dr. Alagu Ganesan, Surgical Oncologist, Vadamalayan Hospitals, Madurai and Mrs. Reavathy, Executive, Vadamalayan Hospitals, Madurai

OUTCOME: The students were educated on the symptoms and dangers of cancer.

TUBERCULOSIS AWARENESS AND ADVOCACY

DATE: 11.02.2016

TIME: 2.00PM- 4.00PM

VENUE: Fatima College, Madurai

An awareness program on tuberculosis was organized on 11.02.2016 for NSS volunteers in the premises of Fatima College. Mr. Lingusamy, Advocate, Partnership for TB care and control, and Mr. Saravanan, District Coordinator, National Tuberculosis control Programme were the guests of honour.

Mr. Lingaswamy addressed the students regarding the disease tuberculosis and its causes, symptoms and treatment. He said Tuberculosis or TB is an infectious disease caused by *Mycobacterium tuberculosis*, which most commonly affects the lungs. It is transmitted from person to person from the throat and lungs of people which is the active respiratory disease. He also emphasized that usually this disease develops in persons with poor immune system. He said it is often misunderstood as a genetic disorder which is not true and occurs in three stages. According to the stages diagnosed, the treatment also differs. The symptoms of acute tuberculosis ranges from coughing sometimes with sputum or blood, chest pain, weakness, weight loss, fever and night sweats.

Students were keen to know about the disease control methods and prevention, methods to build our immune system, ways to diagnose at early stages and the possibility of reoccurrence etc. The guest speaker also gave the students enormous information on their doubts. The program ended with student volunteers and programme officers taking oath on spreading awareness in the prevention and control of tuberculosis.

CHIEF GUEST PROFILE: Mr. Lingusamy, Advocate, Partnership for TB care and control & Mr. Saravanan, District Coordinator, National Tuberculosis Control Programme

OUTCOME: The students learned the prevention and control of tuberculosis.

The Awareness program for girls on the concept of No Smoking

Name : Mr.Dr.DHEEP

Designation : Founder of TOP KIDS and Psychiatrist in Appollo Hospital.

Phone no : 0452-2562181

Topic : The Awareness program for girls on the concept of No Smoking.

Date : 10.3.2016

Time : 3.00 pm to 5.00 pm

Venue : Seminar Hall

Content :

This Guest Lecture He started the session talking about smoking. Smoking is very harmful to people and causes many diseases such as lung cancer, mouth cancer, heart attacks and reduces the life span of people about 10-15 years. The word cigarette was derived from the word 'cigar'. There are about 4800 poisons in a single cigarette, **arsenic** which is more deadly poison is included in it. There are three stages of smoking 1.Own consumption 2.Passive smoking 3.Unborn babies. Inorder to identify the smoker we can test them by "**CAGE**" method **C-cut A-Angry G-guilty E-eye opener**. Atlast he concluded with this session by telling that there are more death occurred by smoking rather than **AIDS**.

FeedBack :

- We girls must be responsible to control the family members, friends, relatives who are smoking
- We must also reduce the death of people and make their life longer and healthy.

DOCUMENTARY FILM

- RIVER ONCE

15.03.2016

No. of Participants - 44

Fatima College (Autonomous), Madurai 18

THE RESEARCH CENTRE OF ENGLISH

Report of Release of Documentary Film “RIVER ONCE”

The students of the 2014-2016 batch of MA English of the Research centre of English produced a documentary film titled "River Once" in collaboration with DHAN foundation Madurai . 44 students under the guidance of Dr.P.V.Christi Shanthi and Dr.Mary Magdalene Abraham, Associate Professors of the Department and Mr.Krishnamoorthy of DHAN made an extensive study of the ancient and holy river Kiruthumal .

The aim of this documentary was to bring awareness to the people of Madurai on the need to restore the Kiruthumal. The river is now a sewer and most parts of it have disappeared under encroachments.

The team took two full days to film the origin of the river at Pulloothu tracing it through the heart of the city. Many residents, Panchayat leaders, historians, and elders were interviewed. The film was given extensive coverage by the media (attached) and the corporation officials were impressed with its outcome.

The film was released on 15th March 2016. The same is found in Youtube.

An ode to a river of yore

SPECIAL CORRESPONDENT

MADURAI: Final year postgraduate students of English of Fatima College here accomplished an academic social responsibility on Monday with the release of 'River Once,' a documentary on the legendary Kiruthumal river, which is as ancient as the Vaigai.

The 11-minute documentary, made in association with the Centre for Development Communication of Dhan Foundation, traces the origin of the river, records expert views on its history and shifts focus to its present state of being a stinking drain. The river, which once went around the

G Periasamy of TWAD Board releasing a documentary film, 'River Once', by the students of Fatima College in Madurai on Monday. — PHOTO: R. ASHOK

city as a 'garland,' ran for 74 km in Madurai, Sivaganga, Virudhunagar and Ramanathapuram districts and had a basin area of 1251 square km.

G. Periasamy, Deputy Hy-

dro Geologist, Tamil Nadu Water Supply and Drainage Board, who released the documentary, said that he would submit a project for recharging and renovation of the Ki-

ruthumal for funding by the State Finance Commission. S. Venkataraman, a resident of Thuvaraman, suggested that a link be provided for the Kiruthumal near Achcham-paththu village from the Nilayur channel to ensure flow and thereby revive the river.

Rev. Sr. K. Fatima Mary, Principal, said that the documentary should prick the conscience of people.

S. Geetha, Head, Research Department of English, described the work as a "novel, original and informative project."

P. Krishnamurthy, Programme Leader, Dhan Foundation, explained how the project shaped up.

மதுரை பாத்திமா கல்லூரியில் ஆங்கிலத்துறை சார்பில் நடந்த விழாவில், கிருதுமலி நதி வரலாறு குறித்த சிடி வெளியிடப்பட்டது.
