MILLET EATERING

2017-2018

“To enhance the habit of eating healthy food among the students’ millet stall was organized by Environment Education Students”.

Their high-fiber content helps in bowel movement and manages diabetes and obesity. Besides, millets can bring down blood glucose in diabetics and are rich sources of antioxidants apart from being useful in preventing cardiovascular diseases. From this, the students learn the importance of healthy food.

FATIMA COLLEGE (Autonomous), MADURAI-18
NATIONAL SERVICE SCHEME
AWARENESS SESSION ON WATER CONSERVATION

DATE: 03/08/2017

Time : 2pm – 4pm

Venue : Jubilee Hall

Awareness session on “water conservation” was arranged by NSS units of Fatima College on 03.08.17. All the NSS students were participated in this session. Dr. B.Balaji, Assistant Professor, Thiagarajar Engineering College , Madurai was the resource person for the session. The key objective of this programme was to educate the college students towards healthy practices to conserve water.

He emphasized the strategies and activities to be followed to sustainably manage the natural resource of fresh water and the methodology to protect the hydrosphere, and to meet the current and future human demands.

He explained the traditional and modern methodology used around the world to conserve the water and also explained how to reduce the daily usage of water.

Chief Guest Profile: Dr. B.Balaji,M.Tech., Assistant Professor, Thiagarajar Engineering College , Madurai

Outcome of the session: Students gained knowledge in the different methods of water conservation especially rainwater harvesting, watershed management & water purification. They promised that they will spread the awareness in the villages to have a fruitful impact.

Blood Donation Camp

DATE: 24.08.2017

TIME: 9.00AM- 1.00PM

VENUE: Fatima College, Madurai

In collaboration with the Government Rajaji Hospital, Madurai, the NSS unit of Fatima College organized a blood donation camp on August 24, 2017 from 9.00 A.M to 1.00 P.M. The inauguration began at 9.00 A.M with the lighting of the lamp. Ms. Pearlin of II English welcomed the gathering and introduced the chief guest Dr Mercy Joyston, Assistant Professor in the Department of Transfusion Medicine, Madurai Medical College.

In her address, Dr Mercy Joyston appreciated the NSS Unit of Fatima College for the constant services rendered to the poor and needy. She underscored the efforts taken by the Management to organize blood donation camps every year. The doctor also emphasized how blood transfusions can save innumerable lives all over the world. Dr Mercy explained the way the donated blood is preserved to cater to the needs of the underprivileged in the society. She was much pleased with the overwhelming response of student-donors and their enthusiasm to know about the significance of blood donation.

Rev Dr Celine Sahaya Mary, Principal, declared open the Blood Donation Camp and appreciated the donors. Eighty two donors came forward and donated 82 units of blood.

CHIEF GUEST PROFILE: Dr. Mercy Joyston, Assistant Professor, Department of Transfusion Medicine, Madurai Medical College.

OUTCOME: The students donated blood and assured that they will keep up with the good work in the future.

AIDS AWARENESS PROGRAMME

DATE: 21.12.2017

TIME: 2.00PM- 4.00PM

VENUE: Fatima College, Madurai

World Aids Day is observed on December 1 every year to create awareness about the symptoms, causes and preventives of the pandemic disease HIV/AIDS. Like every year, World AIDS Day 2017 was celebrated with a new theme 'Right to health' including a range of interactive activities, campaigns by distributing posters and events that are endorsed by governments, people and organizations in various places. In commemoration with this the programme organised on 21.12.2017 by the NSS units in the premises of Fatima College was "AIDS AWARENESS PROGRAMME" the invited guest speaker Ms.R.Nalina Devi, ICTCO Counselor, ESI Hospitals. The aim of the HIV/AIDS Awareness Programme is to empower and increase the awareness to the students. The main objective of the programme was to make the youth to understand the facts about AIDS and then openly discuss about AIDS so they can themselves be aware of and spread awareness among others too. The speaker said that according to a 2008 government-backed estimate the number of people living with HIV/AIDS in India is an alarming 2.4 million. She also spoke about the emphasis on HIV transmission, stigma, prevention and treatment. The students actively participated in awareness programme and we believe that the future generation has the ability to sensitize others and prevent spread of HIV.

CHIEF GUEST PROFILE: Ms.R.Nalina Devi, ICTCO Counselor, ESI Hospitals.

OUTCOME: The students were made aware of AIDS and learnt how to behave with the HIV patients.
