- The Value Added Courses will fine-tune the student's career prospect.
- Increase chances in campus placement.
- Helpstudents to gain competitive advantage by developing a skill set that is in demand, worldwide.

■ VALUE EDUCATION: A new syllabus for Value education was framed for all three years. For theI year students, it is based on 'Goals and Attitude' and the second year syllabus focuses on 'Personality development, Stress and Time management' and the III year syllabus deals with Family, Marriage and Life skill. Materials were prepared containing anecdotes, exercises like questionnaires and classroom activities andmeditation in Action Movement for first year students. Question Bank is generated with the contribution from all Value Education teachers. Feedback is collected from students as well as the staff at the end of each semester with a view to refining the syllabus.

STRATEGIES ADOPTED TO IMPROVE LEARNING SKILLS (SAILS): Create a healthy and conducive environment for slow learners mainly first generation learners andtamil medium students. The slow learners of the subject are identified by the course teacherconcerned based on their performance in the first internal test. Accordingly, their academic needs are assessed and they are provided an appropriate learning environment with the support of peer learning and modification of teaching methods. Extra classes with separate timetables are organized to facilitate the slow learners and vernacular medium students. The outcome of such remedial coaching supports the students to cope with their studies and join the mainstream.

SOFT SKILLS: In today's world apart from academics, Students are expected to hone their Soft skills. Hence soft skills is a 40 hour, 2 credit off class course in the first semester for all Post graduate students. The course comprises components like etiquette, body language, interpersonal skills, Public speaking and SWOC analysis. The course helps the students to be better mannered, pleasant and confident.

QUALITY CIRCLE: It aims at sustaining and enhancing the quality of the working environment and at tapping the potentials of every student through several activities. Orientation programme for QC Facilitators by Dr. L. Meena, Assistant Professor, Department of Management Studies was organizedon Sept. 28, 2019. **Bonesty shop**: To strengthen the virtue of honesty among students

- The students pick one item & drop the cost of the item in the money box.
- QC facilitators of each Department take turns to maintain the Honesty Shop.

TEACHING-LEARNING AND EVALUATION

With due focus on Teaching andLearning, tailor-made curriculums befitting global job-markets are introduced. Newer teaching/learning pedagogies and innovations are adopted to cater to the learning needs of the new generation of students, thus providing Fatimites with an enhanced and enrichedlearning experience.

STUDENTS' RESOURCE FORUM (SRF): the Students' Resource Forum is an active students' wing of the RAC. The members of RAC, motivate students to undertake various research projects.

Students' Resource Forum (Research Cell) was inaugurated on Aug. 13, 2019. Dr. M. Rajesh, District President, Tamil Nadu Science Forum, Madurai was the Chief Guest.

Students formed both inter and intra disciplinary teams and came out with various society oriented research topics. More than 50

teams of around 250 students were formed. The Research Advisory Committee and other staff members from various departments joined hands and guided many projects. Students came out with creative and innovative projects and presented their abstract on Sept. 17& 18, 2019. The final presentation was on Jan. 13& 14, 2020 where nearly 50 teams presented their research findings with their research outcomes. 35 projects will be shortlisted for the research fest Exploria 2020.

Exploria 2020-State Level Intercollegiate Research Fest was organised on Feb. 18, 2020. It was an effective platform for young researchers to showcase their creativity, imagination and innovation. Participants from various colleges attended and presented their projects and research articles. The Special address was delivered by Dr. M. Rajesh, President of Tamil Nadu Science Forum, Madurai and Assistant Professor of Zoology, the American College, Madurai.
