Many students affected by parsiality . Plz break it 1 t

Syllabus it's useful but teaching timing was not enough. Nice

Very very good

It is useful for higher studies Syllabus

have to be updated Yes.

Please change the syllabus to face the upcoming exams like NET, SET etc and the syllabus should be interconnected to each other so that it will be easy for students like us to inter-relate each other. If the syllabus makes the students to critically think then it would be much more better. In English please bring some of the papers such as literary criticism, literary theories, SHEL, HEL etc in the beginning of the UG program itself along with other papers also, so that it will be easy for the target group to face the exams.
