GOOD

.

Overall good

Best syllabus

Good thanks for teaching

The syllabus is useful

Good education institutions

Important syllabus

It's degree will use for students they will become a good learner in social media

Syllabus must be on one book based

Should include programming papers

Improve more hands on practices

Please reduce project work as a single project and give some internship for the students experience

Learn skills

Nil

It's good.

All ready well

Usefull for life

Good

Need to improve the syllabus and only basic things are there in syllabus.

The syllabus are promoting myself

Can enhance the syllabus

Theory subjects are taught in a very vage manner

The syllabus is really standard and it helps students to crack exams such as NET, SLET and are unique than other college students based on our syllabus

I am learning the some skill in the ug

Good syllabus but can make it more interesting.

No project but provide internship

Improve my skills and communication

Need more practical work of accounting field

Syllabus is very good

College timing for shifts can be changed.

Make regular and sf students to come in morning shift in alternative months.

Allow students to do multiple internships by providing them OD

Don't give too much of programs for learning

Good syllabus for gain knowledge

Need to cover some upcoming languages

Ok

Good teaching

Very nice teachings and experience

Give any practical related

This syllabus will be useful in my career life

I had very good experience

Good learning

No suggestions

Agree

Practical project presentation can be encouraged

No suggestions.

Very preliminary syllabus. When we go to Inter Collegiate Competitions we feel the knowledge we have gained from our syllabus is nothing in front of other college syllabus. The same theory from the 1st to the 3rd year. No practical knowledge. Economics is a vast subject. But the syllabus is only the micron of Economic Universe. Hope the students of the future studies an advanced syllabus.

Syllabus is related to csir net based is very useful

No..

NOTHING

Overall good

6 semester question paper was very duffer

This is best experience

It is very useful

no

Good coaching done by faculties

To go advance in technology for learning study should be benefit by the scheme

Add new technology syllabus

I am privileged to study in this college and thanks to our teachers who taught me many things

Nice

The syllabus are very useful

Null

Satisfied

Really helpful syllabus

To improve Detailed syllabus will be better for future jobs and our projects

Need to be depth in syllabus not basics

The syllabus is verybasic and doesn't include mathematical and practical learning. The syllabus is not relevant to the real time modern world.

Good teaching. Good support for students to improve their confidence. Improved the discipline and punctuality of students. But still more can improve the communication skill of students.

nil

For Pg students the syllabus can be structured according to clear govt exams like SET, NET exams also include more problem solving based classes to crack those Exams for future which will be very useful to students also taking classes from the author referred for those competitive exams

Yes above description is TRUE to mu best of knowledge

Statistics is best course for all students in future life

Good at all

Skill base education can be promoted

No suggestion

Syllabus is ok...It's execution in teaching can be much improved.

Agree

..

.

This session was good

Apart from theoretical classes practical classes and learning environment can be created
