## Assessment of the Activities of the College – June 2023 – May 2024

Every time when I go through the Performance Report of Fatima College, I recall my child hood days when I would proudly present my progress report to my parents and await a pat on my back for the good performance. This year is no exception and the Team Fatima deserves all encomiums for that has been achieved during 2023-2024.

Rev. Sr. Rose Benedicte, the founder of Fatima College is very much known for her catch word **“GO AHEAD”**.

**GO AHEAD** was her Mantra when she:

- lost her parents at young age;
- she witnessed sufferings all around in Madurai;
- girl children were denied basic quality education in and around Madurai
- girl child was abandoned treating them as family burden;
- fought lung cancer owing to exposure of cement dust during the construction of Fatima College.

This catch word is still applicable for Fatima College and I would wish that every Teaching, Non-Teaching and Administrative staff have these two words **GO AHEAD** as guiding spirit for:

- Higher excellence in Academics;
- Hold on to the NAAC A++ grade that is the highest ranking;
- NIRF ranking below 100;
- Adapt to the changing policies – NAAC and NIRF may be merged under NEP;
- Celebrating 75 years in style with Fatima as Centre of Excellence – CE;
- Continue to serve the deserving girl children with quality higher education.

Madam,

Sub : Feedback report on the IQAC meeting held on 13<sup>th</sup> Dec 2024.

This is a feedback note on the IQAC session held at Fatima College on 13.12.2024. It is observed that activities are very much aligned with the objectives. My appreciations are due to the IQAC team for their 360 degree approach. Special appreciations to the Research and Development cell for ICSSR, DST-FST projects, Consultancy Services, Skilled courses for students, Extension activities, Publications and students support and progression.

There is scope for improvement in area like collaboration with Industries which would open up new avenues for students towards internships and placement.

Thanks and Regards,
