Good college

Teaching is good

..

Agree

Maintain electrical appliances properly in class because is not working in correct way

N

Repair SM block restroom lights

Excellent teaching

No command

nice teaching

Include more of current affairs and real life examples concerned to the subject

Practical will be help to learn fast

Try to give realistic examples

Try to give more interesting way of teach

Kind and courage

Can improve better

Syllabus and corporate office is totally different they can frame new syllabus that encourage students to enter into corporate office without fear

I was satisfied with the learning because the staff were given real life exposure through management oriented.

Can use projector for easy understanding

Teacher should give more activities to students

There is no flaws to improve.already it is great

Try to reach every student's and ask for their doubts, use better graphics and visual Media to engage students well

Learning experience I'm Fatima college was interesting. The teachers were very friendly and they encourage students to participate in all activities conducted during classes

We want teaching not only in subject oriented

Proper intimation of total library hours completion, career guidance and experience sharing by workers from various fields and proper training for students appearing for placement.

In our college there is no worry about teaching..all staffs were good in teaching..

The Teachers are more professional and ask for students feedback and use it

Not treat the students in partially.

It's so good

Overall teaching is good and enough. Try to teach based on trends in technologies

Please use projector

Improve drinking water facilities and clean sanitation facilities.Staffs need to be friendly with studen.Without Director Sir it is difficult for students to learn may things he always support students to learn new things.

Own teaching

The should gain more knowledge

Thanks for all

It's very good college and improve the students

Improve teaching method

Learning abilites attention to details problem solving

Teachers can be approachable whenever the students needed their guidance. Teachers should always make sure the students are comfortable with the method of teaching of each staff

The teachers can use projector that makes the students to understand it clearly.

To conduct more seminars and share the current news

Teacher's are teaching well

**No need improvement
I think this way Good**

To Provide Water Facilities

Provide new subjects

Good to go

Understanding the students mindset

To improve teaching

I learned a lot

To more Internship extension activities field visits opportunity for professional student

All students are same level of treatment in the class room .

The learning experience is so good

Teaching is really good...

Give some experimental works to get better understanding for students

Conduct virtual learning.

Update daily current affairs related to study.

Change teaching method

Gain knowledge and learning skills

This is okay

Overall Good

Clarify students expectations

Don't be hurry to complete the syllabus at last minute
