About College

Fatima College, Mary Land, Madurai, is a Post Graduate & Research Institution for Women affiliated to Madurai Kamaraj University. It is a Catholic minority institution established and run by St. Joseph's Society of Madurai (of the Congregation of the Sisters of St. Joseph of Lyons, France). This institution came into existence through the tireless efforts of the heroic sacrifice of Rev. Sr. Rose Benedict, the founder of the College.

The College was started in St. Joseph's Campus Madurai as a Second Grade College with 63 students in 1953. It became a Post Graduate College in 1964, Autonomous in 1990 and Research Centre in 2004. The College now offers 20 Under Graduate Courses, 5 M.Phil Programmes and 6 Departments have become Research Centres. It has Strength of 4510 Students, 204 Teaching Staff and 95 Non-Teaching Staff.

The College is administered and oriented by St. Joseph's Society presided by the Provincial.

About Library

Library and Information Services of Higher Educational institutions play a central role in enhancing the quality of academic and research environment. In today's high-tech learning environment, the library as a learning resource is taking up increasingly more academic space and time in the life of a learner. Rosa Mystica Library has practiced best and innovative to motivate the user community for identifying and accessing knowledge resources. Various special days has been observed and display the books and posted motivational quotes inside the library premise.

About Seminar

Ethics and Honesty are playing a vital role in academia. HEIs are now in a critical situation to follow the effective policies against infringement of academic standards. The aim of the seminar is to educate the society about the standardization of consistent and transparent approaches to issues of academic integrity from several perspectives, such as detection and prevention of plagiarism, the impact of text-matching software, types of plagiarism, teaching norms of best practices, and institutional and national standards.

About Research Committee

The Students Research Forum (SRF) is a platform for building researchers to showcase their innovative work-in-progress. The Research Advisory Committee (RAC) arranges interfaces with scientists and academicians. The Students are encouraged to take up topical, viable interdisciplinary research projects. The SRF & RAC collaborate in organizing seminars and competitions. The aim of the RAC is not only to develop research aptitude but also thinking skills for better citizens.
