**Mrs. Sahaya Anita Mary** of the Department of PGDCA has been working in Fatima College since 2015. She was associated with Fatima since 2011 in various capacities. She was a very energetic and enthusiastic teacher. She had so much zeal for life. She was a very loved teacher and a simple person. Fatima family will miss this young and soft-hearted teacher whose untimely demise has left all the members in a great shock. May her soul rest in peace. And we uphold her family in our prayers. May her family and friends be given the courage to bear this loss.
